

Mr. A. MADHAN

Assistant Professor-III, Department of Electrical & Electronics Engineering
Velammal College of Engineering and Technology, Madurai

e-Mail Id: amd@vcet.ac.in

Blog Address: www.vcet.ac.in

Educational Qualification:

Degree	Specialization
Ph.D (Pursuing)	Electrical Engineering
M.E,	Power Systems Engineering
B.E,	Electrical and Electronics Engineering

Experience in Years: 8 Years**Employment History:**

- Assistant Professor in Velammal College of Engineering and Technology, Madurai – (June 2018 – Till now)
- Assistant Professor in Sri Krishna College of Engineering and Technology (Autonomous Institution), Coimbatore – (May 2016 – May 2018)
- Assistant Professor in MAM College of Engineering, Trichy – (June 2015 – April 2016).

Interested Research Areas:

Smart Grid, Smart Energy Meter, Renewable Energy, Electrical Machines, Energy Management Systems

Scholarships and Awards received:

- Recognition for Outstanding contribution towards Placement.

Patent Details:

- Published a patent titled “Mobile Medical Emergency System based on Blockchain and 5G Communication” with Application No.202341007935 A and Publication Date : 24/02/2023.

Publications Details:**1. International Journal Publication Details:**

- Published a paper titled “**Real-Time Installation of a Smart Energy Meters Using the Long-Range Network**” in Journal of Electrical Engineering & Technology, published on 19 July 2023.
- Published a paper titled “**IoT Based Real-Time Monitoring of Transformer**” in Journal For Basic Sciences /Fangzhi Gaoxiao Jichukexue Xuebao, , Volume 23, Issue

1, 2023, 1031 -1036

- Published a paper titled “**SMARTCARD BASED GROCERY DISPENSING SYSTEM**” in International Research Journal of and Technology (IRJET) Volume 7, Issue 3, 2020
- Published a paper titled “**Power Flow Monitoring in Smart Grid using Smart Energy Meter**” in **International Journal of Pure and Applied Mathematics (Scopus Indexed)**, Volume 119 No. 12 2018, 1829-1838, ISSN 1311-8080 (Print) & ISSN 1314-3395 (Online).
- Published a paper titled “**Enhancement of Power Quality for the Nonlinear Distribution System Using Active Filter**” in **International Journal of Innovative Research in Science, Engineering and Technology**, ISSN(Online): 2319-8753, ISSN (Print): 2347-6710, Vol. 6, Issue 3, March 2017.
- Published a paper titled “**Grid Stabilization and Power Quality Enhancement Using Voltage Source Converter based High Voltage Direct Current and Model Predictive Control**” in **International Journal of Applied Engineering Research (Annexure II)**, ISSN 0973-4562 Vol. 10 No.59 (2015).

2. International Conference Presentation Details:

- Presented a paper in **7th International conference on Emerging Trends in Engineering and Technology** on 13th and 14th March,2020 held at Pandian Saraswathi Yadav Engineering College, Sivagangai
- Presented a paper in "**International Conference on Recent Advances in Engineering & Technology**" (**ICRAET-17**) organized by Sri Krishna College of Engineering & Technology, Coimbatore on 29th December 2017.
- Presented a paper in "**International Conference on Recent Advances in Engineering, Science & Technology**" organized by Noorul Islam University, Kumaracoil, Kanyakumari district.
- Presented a paper in **National Conference on Smart grid and Renewable Energy Sources** organized by College of Engineering Guindy, Anna University Chennai.
- Presented a paper in **International Conference on Emerging Trends in Engineering & Technology** organized by Pandian Saraswathi Yadav Engineering College, Sivagangai.
- Presented a paper in "**International Conference on Power and Energy Systems-ICPES'13**" organized by EEE department in Velammal College of Engineering and Technology, Madurai.

3. National Conference Presentation Details:

- Presented a paper in "**National Conference on Modernization in Engineering Science**" (**NCMES 2017**) organized by Sri Krishna College of Engineering & Technology, Coimbatore on 24th March 2017
- Presented a paper in **National Conference on Power Engineering ‘NPEC’15** organized by Thiagarajar College of Engineering, Madurai.
