CRITERION I – CURRICULAR ASPECTS

1.1 - Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The institution has a systematic way of curriculum delivery and documentation. Prior to the beginning of the semester each course teacher compiles a course file with the course plan, prepared material for each unit, mode of delivery, teaching methodologies, AV aids to be used, assignments to be given to the students, allocation of portions for each internal assessment test etc. The file is counter checked by the module coordinator and the HOD and finally signed by the Principal. The classes are frequently monitored live by the HOD and periodically by the principal and comments recorded. These records are checked and signed by the Principal and the Vice Chairman with suitable comments wherever necessary. During the course of the semester, the details of class room handling. Sample question papers, test and assignment papers are filed. Every day class handling is entered in the course log book by the course teacher.. The course file and the log book are subjected to monthly scrutiny and signed by the HOD and by the principal. These documents are also subjected to Internal audit by the internal audit committee and reports given. Any adverse observation is immediately taken up for review and corrective measures implemented. The above methods adopted are as per the NBA norms

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

- 6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)
 - 1. Decentralized way of working is one of the practices of the Management. The responsibilities related to academic activities and college developmental programs are assigned to heads and coordinators with time to time consultation with Management for problem solving if any. Heads of Departments are given full autonomy to plan and execute their departmental academic and related activities
 - 2. Participative Management The College is governed by a carefully constituted Governing body and the Heads of Departments are invitees to every Governing Council meeting wherein they present the activities/ needs and developmental plans of each department while the Principal presents for the College. HODs are given full opportunity to present and defend the budget requirements. Weekly HOD meetings with the Principal and Vice Chairman of the Trust ensures that strategies and plans of action are represented to the Management and approved with no time delay.
- 6.1.2 Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Industry Interaction / Collaboration	The Management strongly promotes

	Institute - Industry Interactions and both faculty and students take up short trem training and internship in notable industries, Two MoUs have been signed in 18-19 one with THORS ELEARNING and the other with BIRAC BIG
Human Resource Management	The Management ensures that Teacher: Student ratio is maintained as per University norms. The vacancies in both teaching and non-teaching staff positions are filled as per the College Policy based on merit.
Library, ICT and Physical Infrastructure / Instrumentation	The contents of the library has been enhanced to the tune of `9,90,237 in terms of purchase of books and continuing the subscriptions for journals(print and on line). The laboratories are well equipped and the physical infrastructure is over and above the requirement prescribed by the Anna University.
Research and Development	The Management extends 100 support to research activities. Faculty are encouraged to apply for funded research both to Government agencies and Industries. The faculty are encouraged to follow up the status of the proposals submitted and financial support is extended to them for a personal visit to the agency for the follow up and also for the presentation of the project proposal when called for. Such support has resulted in acquiring 96.04L as part and full disbursal for the sanctioned projects during 18-19. Many proposals have been submitted during the academic year.
Examination and Evaluation	The end of semester examination (the summative evaluation) is conducted by the affiliating university. The internal assessment is centralized and the assessment includes tests and assignments. The assignment topic/titles planned are at the application / analysis level and the students are given sufficient time to complete the assignment. Each course is internally assessed with three tests and three assignments and a final model examination. The question papers are set covering all the Bloom's taxonomy levels and the answers are evaluated with a detailed key and scheme of evaluation, which is shared with the students for complete transparency. The college has its own policy for handling

	mal practice in the internal assessment which is also made transparent to the students.
	Teaching-learning process has taken new dimensions and innovative teaching methods such as Think -pair - share, flipped class room games, role play, scenario analysis based teaching, analysis of case studies, real time problem solving, open web assignments on current topics related to the course taught etc. are being commonly adopted to suit the cognisant level of the course taught and students. Guided Selfstudy is encouraged and the tests are designed to bring out all the levels of learning by the students. Students are encouraged to take up and complete NPTEL courses in their own disciplines and interdisciplinary courses. Teachers attend many FDP programs to augment their depth in the subjects taught and also complete NPTEL courses. Faculty also participate in many national/international conferences to keep themselves updated in the state-of-the-art development in their fields
Curriculum Development	As the college is an non-autonomous Institution affiliated to the Anna University, the curriculum is designed by the University

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Administration	All faculty and the Principal have college domain e mail IDs All official communications both within and outside the college are only through mails. Instructions to students are also through class mails.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vision of the Institution: To emerge and sustain as a center of excellence for technical and managerial education upholding social values. A measure of sustaining as a centre of excellence is to impart education that empowers the students to become employable/ opt for higher studies in reputed institutions /explore avenues for entrepreneurship. The College in keeping with its Vision and Mission, ensures that students develop the confidence to fit into more than one of the above three categories. The Training and Placement Cell every year begins the training program from the beginning of the III year and students are

taking up aptitude tests in technical knowledge enhancing soft skills facing interviews both technical and HR in multiple sessions. Company specific training is also imparted to students to ensure placement in MNCs. The trainers are well experienced personnel from reputed institutes and companies. Well -placed Alumni are also involved in training the students in various aspects of augmenting employability skills. As the outcome the College is justifiably proud of consistent 80-85 placement each year in highly reputed MNCs such as ZOHO, Amazon, Voonik, Kaar Technologies, Coda Global, CTS, Wipro, Infosys, HP, Dell Computers, Sundaram Clayton, TVS, Mu Sigma, MRF Tyres etc. Preparing the students for GATE examination is an integral part of every Department's activity and students are encouraged to sit for GATE exams to enable to qualify them for higher studies in reputed institutions and also boost the opportunity for employability in PSUs. Special hours are set aside within the time table to train the students for GATE examination and relevant books are also made available in the College library. Vistas are opened up for Pursuing higher studies in reputed Foreign universities through Alumni abroad and also by helping the students in identifying Universities suited to their field of study The College lays a strong emphasis on evolving students to be employers rather than employees and the College has set up a DST sponsored IEDC (Innovation and Entrepreneurship Development Centre) which caters to the development of budding entrepreneurs by regularly organizing Entrepreneurship Development programs for students, Entrepreneurs Meet and financially supporting IED projects every year to the tune INR 1 lakh for each project. Consequently, quite a few students become entrepreneurs immediately after graduating or after a few years of gaining experience from a reputed employer.
