Department of Electrical and Electronics Engineering

Velammal's Renewable Energy Club

Vision of the Renewable Energy Club

To create awareness about New and Renewable Energy Sources among students and staff and to inculcate energy conserving habit among the Public.

Renewable Energy Club activities

Velammal's Renewable Energy Club (VREC) was formed on 11/08/2008 with Shri.M.V.Muthuramalingam, Chairman as Chief Patron, Dr. N.Suresh Kumar, Principal as its Patron resident, Prof.M.Santhi ,HoD-EEE as Secretary , Ms.S.Senthilrani, Lecturer as Co-ordinator and 123 students of EEE department as student members.

The club was inaugurated by Er.D.Selvaraj, Deputy General Manager, Tamilnadu Energy Development Agency, Madurai region on 27/08/2008. In his address he has highlighted the importance of such club and the Government initiative to propagate the awareness about Renewable Energy. During the inauguration club members assured to promulgate the importance of energy conservation and its effective utilization among the students community and public. As a part of it every year an energy awareness camp has been organized for students community and several events like painting, pencil sketching, essay writing, slogan writing and model contest are organized during the camp.

The club was reconstructed in the year 2010 with Shri.M.V.Muthuramalingam, Chairman as Chief Patron, Dr. N.Suresh Kumar, Principal as its Patron resident, Dr. A.Shunmugalatha, HoD-EEE as Secretary, Ms.S.Senthilrani, Assistant Professor as Co-ordinator, 11 staff as VREC members and 303 students of EEE department as student members.

An energy monitoring cell with Dr. A.Shunmugalatha, HoD-EEE as Co-ordinator, Ms.S.Senthilrani, Assistant Professor, Mr.N.Selvam, Assistant Professor and Ms.J.Rajeswari,

Assistant Professor as members was established under the fold of VREC on 24.08.2015. The role of energy monitoring cell is to curtail the unwanted usage of electrical appliances such as fan, light, AC and teaching aids (OHP, LCD projector). Members do walk through auditing twice a day to conserve energy within college campus. With the student members a walk through audit was done in our college campus for computing the total load of VCET

**SMART
SHOWDOWN**

**A TECHNICAL QUIZ FOR
FACULTY MEMBERS**

Ready to test your knowledge and challenge your friends?

A: 17/05/2023 C: Seminar Hall III

B: 02.00 p.m. D: All of the Above

Coordinators:
Dr. K. Kavitha, ASP / ECE
Mr. B. Karthikeyan, AP / ECE

Convener
Dr. K. Kavitha
HOD / ECE

Patrons
Dr. P. Alli
Principal Dr. R. Suresh Kumar
Senior Principal

On behalf of IETE Students Forum, a Technical Quiz for faculty members was conducted to commemorate World Telecommunication Day – 17/05/2023

Velammal College of Engineering and Technology.

Department of Information Technology.

Programming Club

Programming Club is an initiative to help young growing minds to change the world around them with their understanding of Science, Technology and Engineering. It aims at identifying and developing innovative skills with assured guidance and proper mentoring to make them future innovators, technology players and entrepreneurs. Programming Club is a community of students highly enthusiastic about coding, Web Designing and all other aspects of programming. We encourage students to organize and participate in activities related to Development (Web Development, Open Source, App Development, programming contests and hackathons). The Coding Club provides participating students an opportunity to learn the basics of computer programming in a team setting. The club enables students to collaborate with others, learn from them and indeed teach them things you know. The club's main focus is on creating applications, websites, workshops, and other projects to share with the community. We want our students to be PROGRAMMERS or INNOVATORS who solve the problems instead of waiting to get them solved by someone else. Our mission is to create a fun and supportive environment where we develop programming and statistic skills together. We want to replace statistics anxiety and code fear with inspiration and motivation to learn.

Screening Test - Logical Thinking

Date: 22-09-2021

Time duration: 50mins

No. of Questions: 3

Answer all the questions

Question 1:

Problem Statement – Given a string S(input consisting) of '*' and '#'. The length of the string is variable. The task is to find the minimum number of '*' or '#' to make it a valid string. The string is considered valid if the number of '*' and '#' are equal. The '*' and '#' can be at any position in the string.

Note : The output will be a positive or negative integer based on number of '*' and '#' in the input string.

- (*>#): positive integer
- (#>*): negative integer
- (#=*): 0

Example 1:

Input 1:

- ###*** -> Value of S

Output 1 :

- 0 → number of * and # are equal

Question 2:

Problem Statement –A parking lot in a mall has RxC number of parking spaces. Each parking space will either be empty(0) or full(1). The status (0/1) of a parking space is represented as the element of the matrix. The task is to find index of the row(R) in the parking lot that has the most of the parking spaces full(1).

Note :

RxC- Size of the matrix

Elements of the matrix M should be only 0 or 1.

Example 1:

Input :

3 -> Value of R(row)

3 -> value of C(column)

[0 1 0 1 1 0 1 1 1] -> Elements of the array M[R][C] where each element is separated by new line.

Output :

3 -> Row 3 has maximum number of 1's

Question 3:

Problem Statement –Selection of MPCS exams include a fitness test which is conducted on ground. There will be a batch of 3 trainees, appearing for running test in track for 3 rounds. You need to record their oxygen level after every round. After trainee are finished with all rounds, calculate for each trainee his average oxygen level over the 3 rounds and select one with highest oxygen level as the most fit trainee. If more than one trainee attains the same highest average level, they all need to be selected.
Display the most fit trainee (or trainees) and the highest average oxygen level.

Note:

- The oxygen value entered should not be accepted if it is not in the range between 1 and 100.
- If the calculated maximum average oxygen value of trainees is below 70 then declare the trainees as unfit with meaningful message as "All trainees are unfit."
- Average Oxygen Values should be rounded.

Example 1:

• INPUT VALUES

95 ✓
92 ✓
95 ✓
92 ✓
90 ✓
92 ✓
90
92
90

• OUTPUT VALUES

- Trainee Number : 1
- Trainee Number : 3

Note:

Input should be 9 integer values representing oxygen levels entered in order as

Round 1

- Oxygen value of trainee 1
- Oxygen value of trainee 2
- Oxygen value of trainee 3

Round 2

- Oxygen value of trainee 1
- Oxygen value of trainee 2
- Oxygen value of trainee 3

Round 3

- Oxygen value of trainee 1
- Oxygen value of trainee 2
- Oxygen value of trainee 3

Output must be in given format as in above example. For any wrong input final output should display "INVALID INPUT"

Students Outcome

Events details through Programming Club

Students were participated in the following events.

- 1.Hacker Earth on 09-10-2021 at 9.30am to 11am
- 2..Java Programming Contest conductedby VCET CSE dept on 09-10-2021,first round at 10 to 10.45 am

Event Dissemination in WhatsApp group

The screenshot shows a WhatsApp group chat titled "Programming Contest" with members: Abdul, Ajay, Ajay, Aswin, hod, Manjula, Nagavashini, Nega, Nikilesh, Nishath, Parthasarathi, Praveen, Priyadarshini, Renuka, Rohith, Sabari, Saravanan, Sha... The chat history includes:

- Message from Manjula (09/10/2021): "You reset this group's invite link. Click to view the new invite link."
- Message from Manjula (09/10/2021): A link to "Programming Challenges, and Coding Competitions on HackerEarth" with a description: "Participate in group learning challenges, and exciting competitions on HackerEarth, improve programming skills and get developer jobs. HackerEarth is the largest online Hackathon!" and a URL: <https://www.hackerearth.com/online-competitions/>. The message says: "Students here is the link for programming challenges. All of you register for Datastructures and Algorithms now."
- Message from Manjula (10/10/2021): A link to "VCET Programming Contest" with a URL: <https://www.hackerearth.com/online-competitions/>. The message says: "Students, how many of you registered this event.. Let me know."
- Message from Manjula (10/10/2021): "Registered students update in this group"
- Message from Manjula (10/10/2021): "Registered students update in this group"
- Message from Manjula (10/10/2021): "Dear students, On Saturday you will have following Programming contest
1.Hacker earth Timing 9.30 to 11am
2..Java Programming Contest by Vcet CSE dept 10 to 10.45 am
All should attend either any one of the contest. If you attend both, thats also Well and Good.
1.Name-RollNo-Contest
In this order all should update your list here within today 4pm"
- Message from Manjula (10/10/2021): "1.Nega PR 2011A10- Java contest"
- Message from Manjula (10/10/2021): "hod Vcet HOD Sir"
- Message from Manjula (10/10/2021): "1.Nega PR 2011A10- Java contest"
- Message from Manjula (10/10/2021): "Good"
- Message from Manjula (10/10/2021): "2.Kathir Pandian B-2011A28- Java programming contest"

Respected Mam,

Sub: Permission to conduct coding class for betterment of programming club members –
Reg

We have planned to conduct coding classes under programming club during Day 6 period 3 & 4 for the welfare of IInd Year and IIIrd Students of IT Department. This will help the students to get an insight to the coding platforms such as HackerRank, CodeChef, CodeForce and enhance the skills of our students and motivate them to perform well in placements. So I kindly request you to grant OD to the following list of students during day 6 period 3 & 4.

Club Incharge: Mrs.A.Vinora, AP-III

Thanking You,

Robotics Club

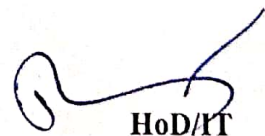

Step into the heart of technological exploration, where wires meet creativity and innovation knows no bounds. Our Robotics club is more than a workspace; it's a dynamic ecosystem dedicated to pushing the boundaries of robotics and the Internet of Things (IoT). As a hub of ingenuity, our lab is where students and faculty converge to transform ideas into tangible advancements that shape the future of technology. Collaboration is our cornerstone. With open arms, we welcome partnerships with industry leaders, fellow research institutions, and the wider community. Through these collaborations, we infuse our Club with diverse perspectives and expertise, ensuring that our projects not only meet academic standards but also address real-world challenges.

As we embark on this journey of exploration, we invite all to join us in the exciting realm of our Robotics club. Here, innovation is not just encouraged; it's the driving force that propels us into a future where technology meets limitless possibilities. Welcome to a space where circuits and creativity converge, and the future of robotics unfolds with every project, workshop, and collaboration.

Workshop on Exploring the Future: A Robotic Workshop for Innovative Minds

13th March 2023

Summary

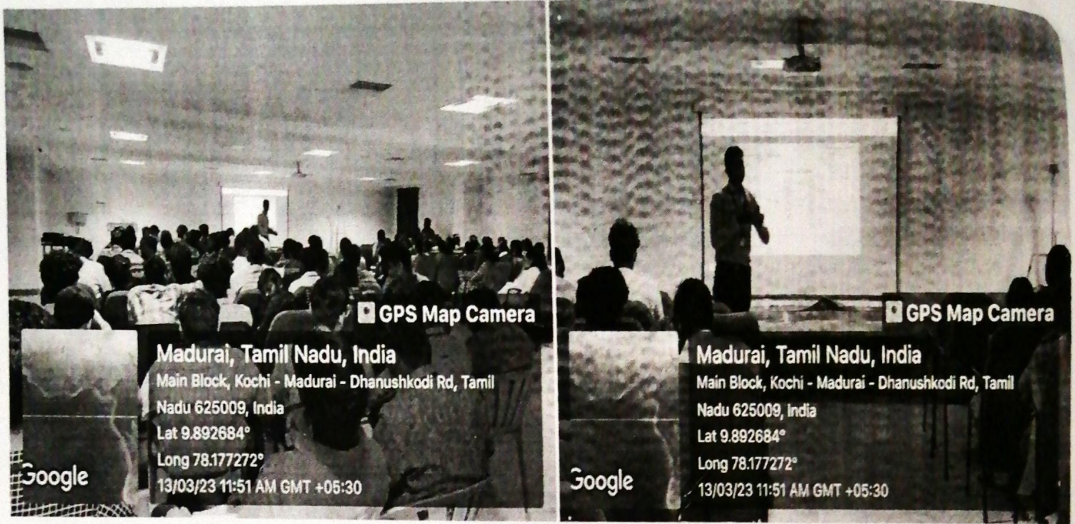

Workshop on Exploring the Future: A Robotic Workshop for Innovative Minds was organized by our IT department on 13th March 2023 for II Year students. A total of 93 students actively participated. Students gained knowledge in fundamentals of Robotics and came to know how they can differ from IoT. This workshop has motivated the students to do projects in this area. The overall view of this workshop was well and good. Students were actively participated in hands-on session.

Seminar on 13.03.2023 (2021-25Batch)

Vision of the Department

To become a nationally recognized centre of excellence in the field of Information Technology through Teaching, Research, Consultancy, and Service.

OUTCOMES:

- Students are actively participated in Hands-on session.
- Students enjoyed the session well, since the entire session was Practice based.
- Students were interestingly attended because they get knowledge on hardware used in Robotics and IoT.
- Students felt that the session was really useful.

We are happy to inform that ECO Club, VCET is opened the enrollment for the academic year 2022-2023. Interested II, III and IV year students can enroll their names as members in the ECO Club on or before 26.10.2022 at 4 pm with Coordinator of ECO Club Mrs.S.Lavanya, Assistant Professor of Department of Chemistry. Pay Rs. 30/- to be a member of ECO Club.

ECO Club is also organizing the following competitions to enhance the students' extramural skills on 31.10.2022.

S.No	Name of the Competitions	Topic	Venue	Date
1.	JAM (Just A Minute) (English)	On the spot - Topics will be given	Seminar Hall I	31.10.2022
2.	Fruits/Vegetable carving	Save Resources, Save Planet	Chemistry Lab	
3.	Rangoli	Key to combat the climate change	Work shop (II floor)	

ECO Club members are requested to register their names to participate the above competitions or before 28.10.2022 at 4 pm.
