Nothing

Fine

All are good

All good

No suggestions

Good

Teachers like andha praba vathi is neede to teach her teach system

Give more practical knowledge

Teaching was good and done in proper manner.

Yup!!...it's good

No comments

Give more importance for extra curricular activities also

intra college competition can be added.

Improve pratical knowledge

Teachers are able to identify our weekness and help

Null

Neer more effective

Excellent in all continue the same

nil

Improve clarity of concepts

Overall the teaching methodology is good

Clarity in concept

Teaching is very good with skilled staffs

It has been a great experience to be a part of this institution who helps us discover our talents and helps us grow better. Hope every batch will have the same quality experience.

Great

Already its good

Everything which is being given now are satisfied

So far it is good, it would be better by showing some real time applications Things while presenting

Well explained concepts thoroughly

--

The concepts of each subject is well taught by the teachers

Overall good

All Good

Super

Provide a IEEE license access to each department laboratory.

Can teach with some practical examples

Real time applications demonstration for better exposure.

Presentation, Demonstration

Nil

–

All good

1) Give break 5 mins to the student at end of the class.
2) other things are good

The overall teaching and learning experience was good.

Everything is fine

More webinar, workshops and technical events can be conducted.

Well and good

The teaching was good in our institution. The materials given by the staffs are more then enough to study for the exams. I think no more suggestions needed!

Can do Real time application demonstration for better exposure

1. Need more practical classes

Overall teaching is too good and teaching way of theoretical and practical knowledge also good.

To demonstrate ongoing projects and working on it
Implementation of ebooks, journals, articles and blogs for better understanding
Provide personal guidance

The overall learning - teaching in our institution is always well above our satisfaction. Teachers gives us the clear picture of learning through various methods.

-

Overall learning and teaching experience is good, Easy interaction with the professors, Discussing the future scope of technology and creating awareness among students.

NIL

Overall good.No suggestions needed.

Teach with real time applications

The Institution provides many opportunity to enhance our knowledge.

No Suggestions

Overall good performance no extra suggestions needed

No Comments.

Over all good performance

R

Overall good performance

Many Real-time examples can be used.

Need more practical applications

Need more practical applications

Need practical applications

Need practical applications

Overall a good experience .
Teaching was in a efficient manner

Need practical applications, Can inculcate life skills in a polite manner, Allow everyone to participate in extra curricular activities without showing partiality to slow learners.

More practical class

1) Have to take lessons with real time examples
2) Be more accurate in their teaching
3) Make students to do practicals by their own

By providing hardware experience
By explaining real world applications

1. By explaining real world applications
2. Linking theory & Lab sessions
3. Providing specific period for Library

More of core companies can be useful for students and benefit their career

Nothing much.Already great.

Everything is good

Not give pressure

No comments

To enhance competition in inter college
Can allow us for exploring industries
Also for other companies for better knowledge about the companies.

Conducting Activities
Relating a lot with students
Clarifying The doubts clearly

More practical way of teaching

Should interact with students
To conduct more activities

Asking the students about their teaching can help them

Should interact with students

Field visit, tour

Every thing is fine and perfect

Providing more industrial visits
Teaching in regional language
practical classes in classrooms
