

**Velammal College of Engineering and Technology, Madurai – 625 009**  
**(Autonomous)**

**Department of Civil Engineering**

**Academic Year 2022-2023**

**Events Organized**

| <b>S. No</b> | <b>Name of the Professional Societies/Bodies/ Chapters/ Clubs</b> | <b>Name of the Event</b>                                                                        | <b>National/ International level/Institute/ Department</b> | <b>Date of Event</b> |
|--------------|-------------------------------------------------------------------|-------------------------------------------------------------------------------------------------|------------------------------------------------------------|----------------------|
| 1.           | Thinkers Club                                                     | Industrial Expo visit at Raja Muthaiyah Hall                                                    | National                                                   | 23.09.22             |
| 2.           | Thinkers Club                                                     | Industrial visit to solar plant and Brick Manufacturing                                         | Department                                                 | 29.09.22             |
| 3.           | Thinkers Club                                                     | Industrial visit to “BIZexpo 2022” on Innovative Construction Materials                         | Department                                                 | 02.12.22             |
| 4.           | Thinkers Club                                                     | “Soil Day” – Community Awareness Program On Innovative Water Conservation Practices             | Institute                                                  | 12.12.22             |
| 5.           | Thinkers Club                                                     | Industrial Visit at “Innovative Paver blocks Manufacturing unit in Bharat Pavers, Madurai”      | Department                                                 | 20.01.23             |
| 6.           | Thinkers Club                                                     | Virtual webinar on Entrepreneurship Development                                                 | National                                                   | 01.02.23             |
| 7.           | Thinkers Club                                                     | Innovative cube contest                                                                         | National                                                   | 24.02.23             |
| 8.           | Thinkers Club                                                     | “MASON TRAINING PROGRAM, a Community outreach initiative in association with Ultratech cements” | National                                                   | 19.04.23             |
| 9.           | Professional Society                                              | Engineers Day Celebration 2022                                                                  | National                                                   | 15.09.22             |

|     |                      |                                                                                           |            |                      |
|-----|----------------------|-------------------------------------------------------------------------------------------|------------|----------------------|
| 10. | Professional Society | Workshop on Total Station                                                                 | Department | 21.09.22             |
| 11. | Professional Society | QUANTITY TAKE OFF training program                                                        | Department | 27.09.22 to 30.09.22 |
| 12. | Professional Society | Seminar on “Eco Friendly Concrete by RAMCO Cements”                                       | Institute  | 18.10.22             |
| 13. | Professional Society | Webinar on “Applications of Gis in Civil Engineering”                                     | Department | 16.11.22             |
| 14. | Professional Society | Guest Lecture on ‘Modeling & Analysis of Structural members using Innovative Software     | Department | 06.02.23             |
| 15. | Professional Society | Guest Lecture on “Research collaboration for Innovative Practices in Civil Engineering”   | Department | 20.02.23             |
| 16. | Professional Society | Seminar on “Recent Innovations in Cement Industry by Dalmia Cements”                      | Department | 27.02.23             |
| 17. | Professional Society | Innovative Applications of GGBS for Green and Sustainable Concrete                        | Department | 16.03.23             |
| 18. | Professional Society | Innovation in water drainage system in ancient construction (Industrial Visit to Keeladi) | Department | 23.03.23             |
