Memoir - 1

It is indeed a privilege in addressing you. Yet another year has passed and we have crossed some more milestones. At every step we had the support and motivation provided by the confident parents, dedicated teachers and committed students. Today, Velammal group of institutions is growing from the strength to strength with ethical professional practices and is recognized as a reputed name in education. In all these years of experience, I learnt one very simple yet very significant lesson. The need of the society is like an ocean and the service we render are mere drops. So I am now determined to add as many drops as I can and say to myself with contentment, I tried my best.

Today, my vision is set on raising the stature of ‘Velammal to a University’, by establishing more Schools, Engineering colleges, Professional and Medical Institutions in the state and country. The task is arduous and the path grueling but I have two things going for me. One my mother’s words of motivation and other the society’s unstinted support.

FRESHER'S DAY ' 23

Date: 05-09-2023

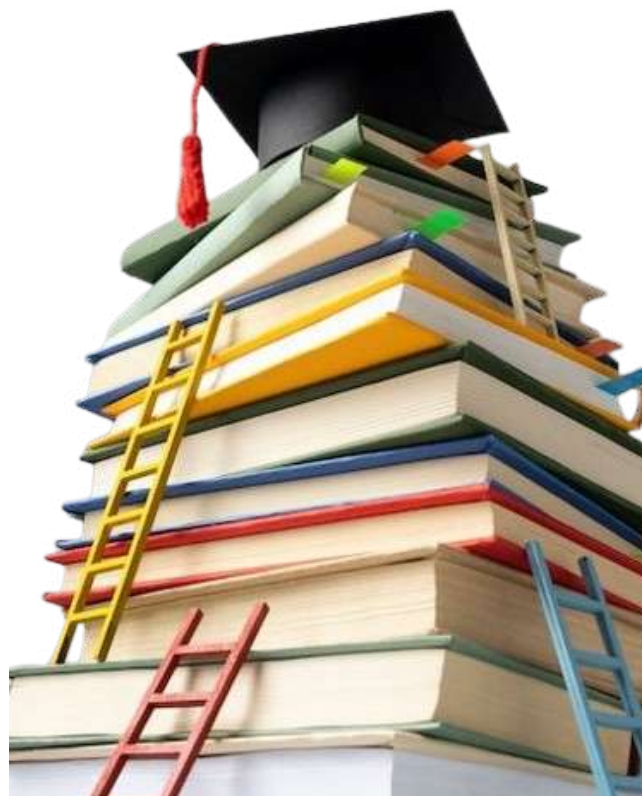

The inaugural batch of the MBA program, enthusiastic students, officially stepped onto the campus with a memorable Fresher's Day celebration. The induction programme was thoughtfully designed to welcome the freshers and help them acclimate to the academic environment.

The day began with a heartfelt welcome from the Head of the MBA Department, who highlighted the core values of leadership, innovation, and continuous learning that the program upholds. Students were then introduced to the MBA curriculum, departmental resources, and academic guidelines.

Engaging ice-breaking activities were conducted to encourage interaction among the new students, fostering a spirit of collaboration and mutual support from the outset. Workshops on essential skills such as effective communication, time management, and goal setting were held to equip students for the challenges and opportunities of the MBA journey.

The induction programme successfully laid the foundation for a positive and enriching academic experience for the first batch of MBA students.

The background of the page features a photograph of a statue on a pedestal. The statue is a golden-colored figure of a person in traditional Indian attire, standing on a reddish-brown, tiered pedestal. The scene is set outdoors with lush green trees and a clear blue sky with some white clouds. In the background, a red car and a blue car are parked on a road. The entire image is partially covered by a dark grey semi-transparent rectangle on the left side, which contains the text.

The Department of Management Studies at VCET successfully hosted a two-day XBRL Workshop on November 5 & 6, 2024, in hybrid mode, enabling participants to join either online or on-site at the VCET campus, Madurai. The program brought together global finance experts to share their knowledge and practical insights. Sivakumar Subramanian, Founder & CEO of Capital Market Services, Singapore, delivered an in-depth session on the global impact of XBRL, highlighting its role in digital financial reporting. Ms. M. Kunasunderi, CEO of Venus Corporate Connections Pvt. Ltd., Singapore, demonstrated how XBRL enhances corporate transparency and supports effective decision-making.

The workshop empowered participants to apply XBRL in real-world financial reporting, improving accuracy and compliance. Attendees earned a globally recognized certification jointly issued by VCET, CAPMAS, and Venus Corporate Connections, adding significant value to their professional profiles. With opportunities to network with finance leaders, exchange ideas, and explore best practices, the event attracted finance students, professionals, and corporate executives from diverse backgrounds. Its success reinforced VCET's commitment to offering globally relevant learning experiences that prepare learners for the evolving demands of the finance industry.

Elevate Together!

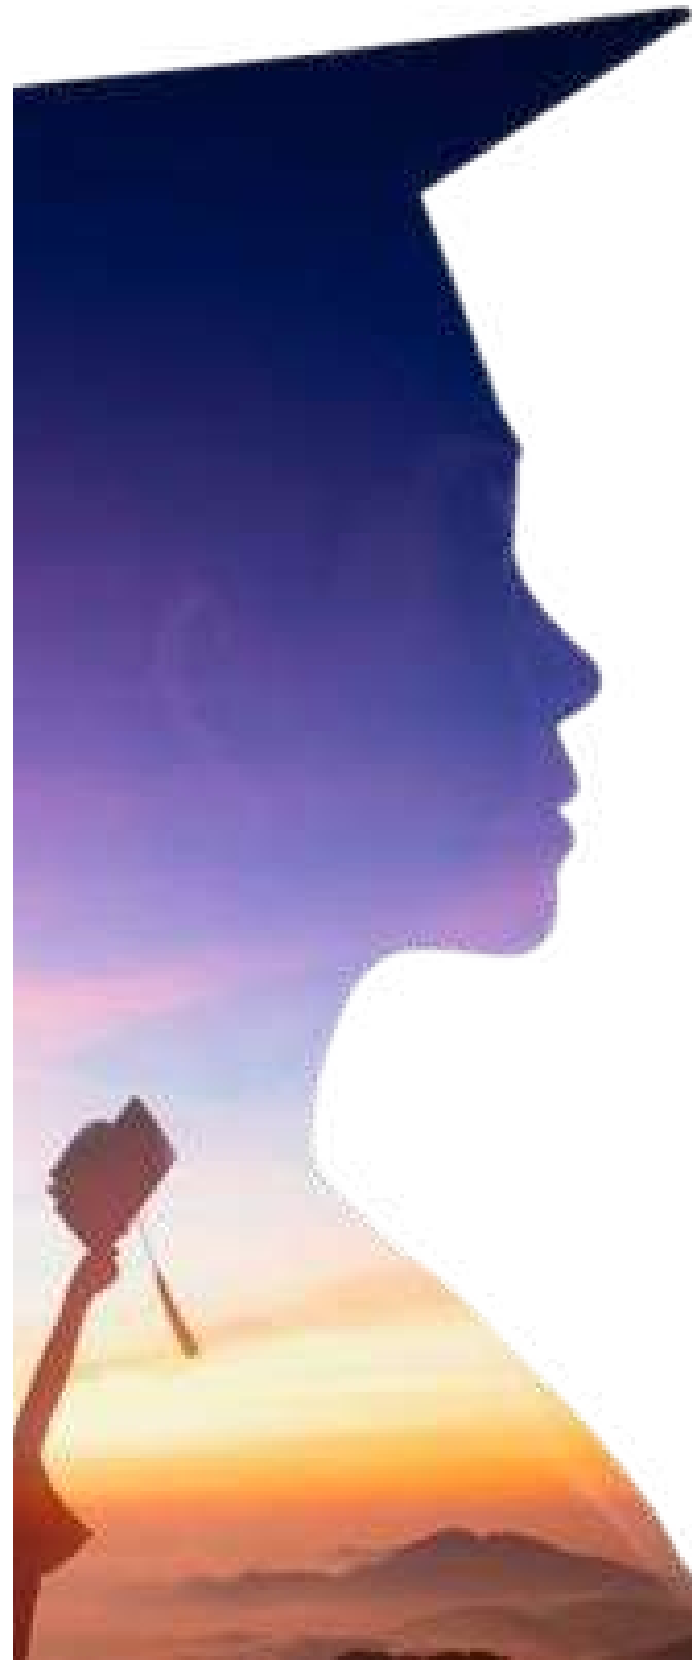

As we bring this Memoir of our MBA Department gallery to a close, we want to express our deepest gratitude to you, our readers, for taking the time to journey with us through the many stories, achievements, and milestones we have shared. Each page reflects the dedication, passion, and collaborative spirit that define our community here at Velammal College of Engineering and Technology.

This gallery is more than just a collection of articles — it is a celebration of learning, leadership, and growth. Behind every feature is a team of students and faculty who have worked tirelessly to capture the essence of our department's vision and accomplishments. These accomplishments aren't just documentation of events to us. They carry the values, efforts, and stories of the people who made them meaningful in creating milestones. Every thoughtful contribution towards our department's vision has pushed us to dream bigger, stay inspired, aim higher and strengthen our connection to the vibrant world of Management Education.

We look forward to bringing you even more inspiring content in the next memoir — more successes to celebrate, more journeys to highlight, and more voices to be heard. Until then, continue to explore, innovate, and lead with purpose. Thank you for visiting our visionary department.

"Every achievement, big or small, is a chapter in our shared journey toward excellence and innovation."
