Dr. N. Rajkumar

Director (Administration & Research)

Dr. N. Rajkumar obtained his Bachelor's Degree in Computer Science and Engineering from Madurai Kamaraj University in **1991** and His Masters in Computer Science and Engineering in **1995** from Jadavpur University, Kolkata. He has completed his Master's in Business Administration in Human Resource Management from IGNOU in the year **2003**. His doctorate is in the field of Data Mining, which he completed in **2005** from Bharathiar University.

He has **33** Years' Experience in Teaching, Research and Administration. He was an instrumental in the conduct of **47** Short-Term Programme / Workshop / Conference / Seminar / Guest Lectures and has also attended **49** Courses conducted by other Institutions and Organization.

Authored **4** books and Book Chapters for the benefit of the Students community in Networking and Computer Servicing. He also Authored / Co-authored over **121** Publications that are widely referenced by Researchers around the world and Guided **15** Ph.D Research Scholar's and **100+** Students Project.

Awarded competitive Research Grants from various National Government Funding Agencies including All India Council for Technical Education (AICTE), Vikram Sarabhai Space Centre (VSSC), Department of Science & Technology (DST), Council of Scientific & Industrial Research (CSIR) and Indian Space Research Organization (ISRO).

Dr. Rajkumar has been very dynamic in a Research Logic and has converted much of that knowledge into association with Industry Partners (such as IBM, HP and Infosys), into Software Tools useful to other Researchers in a variety of Scientific Fields, and into Community activities.

He received Cash Awards / Incentives / Appreciation from PSG College of Technology and Sri Ramakrishna Engineering College in **2002** and **2013** for his Research Contribution.

He has presented over **50** Invited talks (Keynotes, Guest Lectures, and Seminars) on his Vision on IT Futures and Advanced Software Engineering at International / National Conferences / Workshop and Institutions in India.

He is a Life Member of Indian Society for Technical Education, Since'**1993**, Life Member of Computer Society of India (**CSI**) and Fellow of the Institution of Engineers (**FIE**). He served as Reviewer in IEEE Systems Journal, International Journal of

Computers and Electrical Engineering, Elsevier, International Journal of Computers and Applications, ACTA Press and Editorial Board Member in Journal of Engineering Students, Hyderabad,India

He is a Lead Auditor (**ISO 9001:2000**), NAAC Assessor and Consultant at several Academic Institutions and also responsible for mentoring new Engineers and contributors, delivering Technical presentations.
