MEMORANDUM OF UNDERSTANDING

Between

**Velammal College of Engineering and Technology
(An Autonomous Institution)**

And

Penguin Apparels Private Limited

Preamble

Velammal College of Engineering and Technology (Autonomous) and Penguin Apparels (P) LTD believe that close cooperation between an Industry and a technical Institution would be of considerable benefit. The budding Engineers could play a key role in technological upgradation, innovation and competitiveness of an Industry. Penguin Apparels (P) LTD can give valuable inputs to the Institution suitably customize the curriculum and in teaching /training methodology so that the students fit into the industrial scenario meaningfully.

The cooperation will relative effective utilization of the intellectual capabilities of the Faculty of Velammal College of Engineering and Technology (Autonomous) providing significant inputs to them in developing suitable systems ,keeping in mind the needs of the Industry.

M. Subil

This Memorandum of Understanding is signed on the 2nd day of March, 2024, between **Department of Electrical and Electronics Engineering , Velammal College of Engineering and Technology (Autonomous)**, an Educational institution, situated at – Rameswaram High Road, Viraganoor, Madurai – 625009 and **Penguin Apparels(P) LTD** , D-53, Industrial Estate, Kappalur and H-12, Industrial Estate, Kappalur, Madurai - 625 008.

This Memorandum of Understanding is entered for the purpose of Training, Internship, Industrial visit, Project, Placement and Technical support to upgrade Electrical and Electronics Engineering students' technical skills which cater to the demand for training during their course of study.

This agreement shall commence on the effective date. This agreement shall be in full force and effect for 36 months period from the effective date.

All communications and information exchange and personal data (such as email address or user statistics) shall be treated confidentially and shall not be shared or distributed to third parties without prior written consent.

This agreement is between both aforesaid parties only and no third party beneficiaries are intended. In this connection, each party is an independent contractor and as such does not have any authority to bind or commit the other.

This MoU shall be terminated by either side based on mutual agreement and with three months' notice.

For smooth conduct of activities under this MoU, a steering committee is framed as under:

Manager-HR: Mr.R.Maduraiveeran ,Penguin Apparels (P) LTD, Madurai.
Secretary : Dr.R.Narmatha Banu, Professor & Head/EEE, VCET, Madurai.
Members : Dr.B.Kiruthiga, AP-I/EEE, VCET, Madurai.
Dr.T.Chandrasekar, Asso.Professor/EEE, VCET, Madurai.

Joint Declaration

It is hereby declared that we jointly agree for the Memorandum of Understanding signed between **Department of Electrical and Electronics Engineering, Velammal College of Engineering and Technology (Autonomous)**, Madurai and **Penguin Apparels (P) LTD**, Madurai.

It is understood that the MoU is signed purely for the welfare of the student community, staff, industry and society.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 13th day of - February Two Thousand Twenty four (13-02-2024)

BETWEEN

Velammal College Of Engineering And Technology, (Autonomous), Madurai, India, the First Party represented herein by its Principal, **Dr.P.Alli** (hereinafter referred as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

VIMAANA AERO SRINIVASAMURTHY AVENUE ADYAR- CHENNAI -600020
Tami Nadu India, the Second Party, and represented herein by its **Founder and CEO - Mr. Madhan Balachandramohan** , (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is a Higher Educational Institution named:
 - (i) **Velammal College Of Engineering And Technology, (Autonomous), Madurai**
- B) Second Party is an Aviation company
 - (i) **Vimaana Aero , Chennai**
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interest.
- F) **VIMAANA AERO** , the Second Party is engaged in Educational Research and technology development. Vimaana Aero do workshops for children using new revolutionary technology as an educational tool in the field of Drone Technology& Robotics and also addressing knowledge to School children and College students.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within **Velammal College Of Engineering And Technology, (Autonomous), Madurai** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry.

Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Internships and Placement of Students:** Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.
- 2.5 First Party will forward students of the qualified personnel for whom they propose/sponsor to be trained and placed through various services that second party offers, well in advance which will be scrutinized for suitability, and a list of such eligible candidates shall be intimated to First party. Thereafter, the candidates will have to undergo necessary process at Chennai on an appointed date, against appropriate program or position for selection and further processing.
- 2.6 That, mere attending the interview shall not constitute any right on the

candidates for placement. Neither any liability lies on second party in this regard or to First Party. Placement shall be subject to client requirements. However, second party shall facilitate and pursue the objective(s) under this MoU.

- 2.7 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Educational Research and technology development in the field of aeronautics aerospace engineering, on field hands on technology projects, career guidance / Master classes from industrial experts, internships, training facilities for college students.
- 2.8 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.9 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.10 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.11 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein
- 2.12 If there is any financial consideration for any of the programs offered by Vimaana Aero ., it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MoU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or

to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for 3 years from the date of signing, until it is expressly terminated by either Party on mutually agreed terms, during which period **VIMAANA AERO** the Second Party, as the case may be, will take effective steps for implementation of this MoU. Any act on the part of **VIMAANA AERO** the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MoU.
- 4.2 Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **Velammal College Of Engineering And Technology, (Autonomous), Madurai** and **Vimaana Aero** are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

**Velammal College Of Engineering
and Technology, (Autonomous)**

Vimaana Aero

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Coimbatore**.

Research and Development: Both Parties have agreed to carry out the joint Project activities in the fields of software, Hardware, cloud services and Networking.

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

4.1 This agreement/MoU shall come into force on the date when the MoU is signed by both the parties and remain in force for a period of three years from the effective date. This MoU may be terminated by either party without assigning any reason thereof upon thirty (30) days written notice to the other party.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be

construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Madurai.
