

From

Addl. Deputy Commissioner of Police,
Traffic Planning,
Madurai City.

To

The Principal
Vellammal Engineering college
Madurai.

C.No. 61-1 /ADCP/Traffic Planning/MC/2023, Dated: 25 .07.2023

Sub : Police - Madurai City - Traffic Planning –formation of 2nd Police station level Field Survey 2.O- Requesting to send Faculty and Students for the assistance of field survey - Reg.

Ref : 1. RC.No. 57/RS/STAT/SCRB/2023-113 Dated:- 18.04.2023 of Addl. Director General of Police, SCRB& Chairman, Special Task Force, Road Safety, Chennai.

Your kind attention is drawn to the reference cited.

2) It is informed that one field survey team comprising of Police. revenue. corporations, Highways, and College students will be formed in each district to inspect the accident spots as instructed by a constitutional body, STF RS, Chennai. In this regard, a Field survey team is to be formed in Madurai City.

3) As a part of the team, It is requested that one faculty and 5 students from the Civil Engineering department of your institution may please be nominated for conducting field surveys in various places in Madurai City limit jurisdiction to avert accidents as done earlier in the year 2022. Also, requested to send the details of the nominated faculty and students for two teams to this office through this letter bearer.

Addl. Deputy Commissioner of Police
Traffic Planning
Madurai City.

To
HeD - Civil
24/7/23

Office of the
Addl. Director General of Police,
State Crime Records Bureau/Chairman,
Special Task Force, Road Safety,
Chennai- 28.

Dated: 26.07.2023

Circular Memorandum

Sub : Constitution of Special Task Force for Road Safety – Analysis of road accident hot spots – **Conduct of 2nd Police Station Level Field Surveys at the Accident Hotspots across the State using Field Survey Mobile Application** - Instructions issued - Regarding.

Ref : 1. G.O. (Ms.) No.146/Home (Transport - V) Department,
Dated: 15.03.2022
2. Rc. No. 57/ RS/ STAT/SCRB/2022, dt: 30.03.2022

Logo Design

Report

Ref : VCET/CSE/2023-24/IIC/23082023

Date: 23/08/2023

Date: 21.08.2023

Time: 3.00 P.M – 4.00 P.M

Mode: Smart Classroom

Objective

- To symbolize the essence of technology and innovation. It should incorporate elements or symbols that are commonly associated with technology, such as circuitry patterns, computer components, or futuristic shapes.
- To create a logo that fosters a sense of community and belonging among club members. The logo should evoke a feeling of inclusivity and unity among individuals who share a passion for technology.

Outcome

- Logo design competitions provide students with a platform to express their creativity and artistic talents.
- Creating a logo for a competition can add a strong piece to a student's design portfolio

Seminar on “Innovative Project Ideas and Research Paper Writing”

Report

Ref : VCET/CSE/2023-24/IIC/11092023

Date: 12/09/2023

DATE: 11.09.2023

TIME: 1.30 P.M – 3.30 P.M

VENUE: Seminar Hall - 3

RESOURCE PERSON: Dr. P Uma Maheshwari,

Department of ECE, VCET, Madurai -9

Audience: IV Year Students

No of Students Attended: 105

No. of Faculty Attended: 4

Objective & Outcome:

- To contribute new knowledge, insights, or perspectives to the existing body of literature on a particular subject.
- To address a research problem, question, or hypothesis by conducting a structured investigation and analysis.
- To communicate research findings, methodologies, and results to a wider audience, including peers, academics, policymakers, and the general public
- To encourage critical thinking and rigorous analysis of data, evidence, and sources.
- To ensure that research methods, data, and results are presented in a transparent and replicable manner, allowing others to verify and build upon the research.

Outcome

- Research papers, articles, or reports are published in academic journals, books, conference proceedings, or online platforms to reach a wider audience.
- Research findings are disseminated to the broader community, facilitating knowledge transfer and potential application in practical contexts.
- Research writing often identifies areas for further research and exploration, laying the groundwork for future investigations.

Webinar: Industry Trends In Engineering

Report

Ref : VCET/CSE/2023-24/IIC/22092023

Date: 22/09/2023

Date: 19.09.2023

Time: 6.00 P.M – 8.00 P.M

Mode: Online

Resource Person: Mr.S.P.Lakshmanan (Alumni-2016 Batch)

Senior Staff Engineer
Palo Alto Networks
Bangalore

Objective

- To inspire and motivate students by showcasing the innovative possibilities within the field of engineering, encouraging them to explore new ideas and directions in their studies and careers.
- To offer students insights into potential career paths, highlighting the skills and knowledge areas that are in high demand in the engineering job market.
- To equip students with the knowledge and awareness required to prepare themselves for a successful transition from academia to the professional engineering world.

Outcome

- Participants gained a deeper understanding of the latest trends, technologies, and developments in the engineering industry. They left the webinar with up-to-date knowledge that is essential for academic success and future career opportunities.
- Students gained valuable insights into potential career paths within the engineering industry and learned about the skills and knowledge areas that are in demand. This information can help them make informed decisions about their academic and career choices.

No.of Faculty Attended: 02

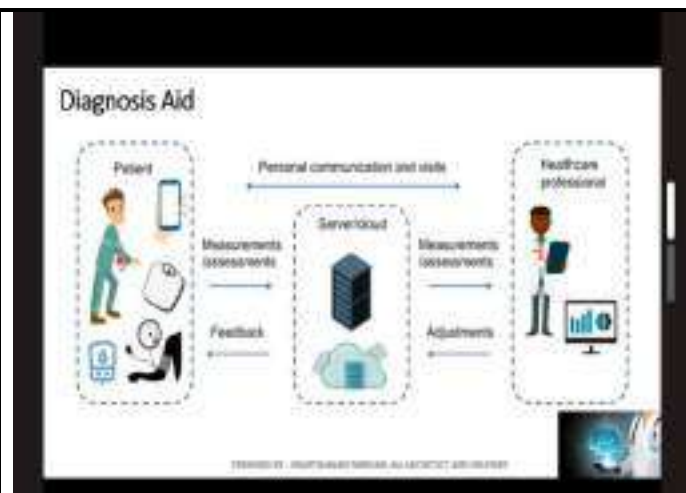

Objective & Outcome:

AI in healthcare can enhance preventive care and quality of life, produce more accurate diagnoses and treatment plans, and lead to better patient outcomes overall. The objective of this seminar is to provide the students with understanding of role of AI in health care and diagnosis.

The students were able to get the insights of the following

- Wearable health and fitness devices with tracking powered by AI
- Radiology equipment powered by AI to minimize the exposure time to patients
- Role of AI in medical diagnosis with a case study
- Software as a medical device
- Role Augmented Reality in healthcare

To

The Principal,
Velammal College of Engineering and Technology,
Madurai-625009.

Respected Madam,

Sub: Permission requested to conduct Database Contest for CSE students - Reg

It is proposed to conduct a **Database Contest** for **third and final year CSE students**. This event is jointly organized by the CSE department, CSI student branch of our college and IIC. It is a three level contest and the final round will be evaluated by an industry expert. The contest schedule is as follows.

S.No	Event Date	Round	Remarks
1.	15-09-2023	Preliminary	Databases Quiz
2.	20-09-2023	Semi-Finals	Database Design
3.	22-09-2023	Finals	Database Application Development

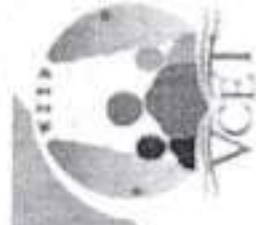

Kindly permit us to conduct the above mentioned database contest and honor the industry expert with an amount of Rs. 2500/- (Rupees two thousand five hundred only).

Thanking You.

“Ignite Your Entrepreneurial Spirit”

Date: 10.10.2023

The Entrepreneur Development Cell of CSE organized a **Motivational talk** in the title of **“Ignite Your Entrepreneurial Spirit”** for the students enrolled under EDC-CSE

DATE: 07.10.2023

TIME: 12.00 P.M – 02.00 P.M

VENUE: PG Lab

Audience: EDC-CSE registered students

No of Students Attended: 52

No.of External Participants: Nil

No.of Faculty Attended: 02

RESOURCE PERSON:

Mr.N.S.Arun Kumar
Managing Director
Weon Life Sciences

Objective of the Program

To provide practical insights, tips, and strategies for navigating the entrepreneurial journey, from idea generation to business execution.

Outcome of the Program

At the end of the program Participants strengthened entrepreneurial mindset, characterized by creativity, innovation, risk-taking, and a positive attitude towards challenges.

Participants shown great interest and also gave positive feedback.

We sincerely thank our Honorable Chairman, Vice Chairman, Senior Principal, Principal and Dr.R.Deepalakshmi, HoD-CSE for giving us moral support and guidance in all academic activities.

With the co-operation of the coordinators and the department faculties, the session took place effectively with the fullest energy.

Academic Year	2023-2024
Program driven by	IIC – Self driven Activity
Program Associated with	Protocol Club
Quarter	I
Activity Name	Webinar on Context Sensitive Language and Linear Bounded Automata
Programme Type	Design Thinking
Program Starts Date	30.11.2023
Program Ending Date	30.11.2023
Number of Students Participants	60
Number of Faculty Participants	NIL
Number of Expert Participants, If Any	1
Expenditure, If Any	NIL
Mode of Delivery	Online (Google Meet)
Remark	-
Objectives	* To make the students to aware on Context sensitive Language
Benefits in terms of learning/skill/knowledge development	* Acquired knowledge on Context Sensitive Language and Linear Bounded Automata

Program Coordinator (S)	Mr.K.Azarudeen Dr.G.Vinoth chakravarthy

Overall Report of the Activity	
Date:	30.11.2023
Time:	4.30 pm to 7.30 pm
Speaker:	Dr.Sandip Mal Associate Professor, Lead Program chair, SCSE VIT Bhopal University, Mathya Pradesh.
Topic:	Context Sensitive Language and Linear Bounded Automata
Speaker Profile:	
Dr. Sandip Mal is working as an Associate professor in SCSE VIT Bhopal University. He is the well strong person in Automata, compiler and other core topics.	
Key Learning and Take-Aways: Automata, Linear Bounded Automata, Context sensitive Language.	

Event Coordinator

IIC Coordinator

HoD/CSE

Note:

- 1.Convert the document into Jpeg and PDF and submit it to mail id: iievctcse@gmail.com , within one week of the Completion of program.
2. Mail the brochure and photos separately to the same mail id.

Vision

- To become a center of Excellence in the field of Computer Science and Engineering upholding social values

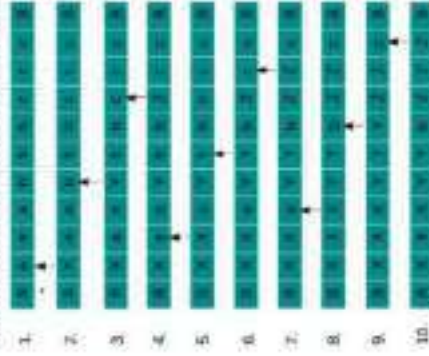

Mission

- Heightening the knowledge of the faculty in recent trends through continuous development programmes
- Transforming the students into globally competent and technically well equipped computer professionals with theoretical and practical knowledge
- Cultivating the spirit of social and ethical values for the cause of development of our nation

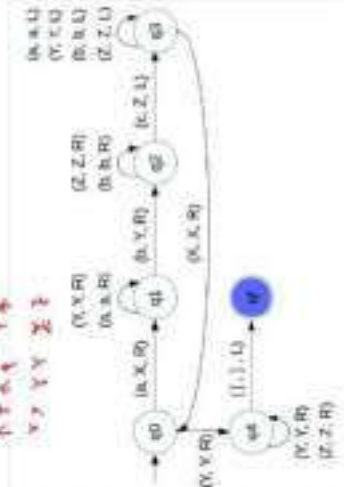

Construction of LBA

$$L = \{a^n b^n c^n \mid n \geq 1\}$$

TAPE movement for string "aaabbbccc":

Handwritten notes:
 $a^n b^n c^n$
 $1 \rightarrow 2 \rightarrow 3 \rightarrow 4$
 $5 \rightarrow 6 \rightarrow 7$
 $8 \rightarrow 9 \rightarrow 10$

Sandip is presenting

Dr. Sandip Waj. Associate Professor

Context Sensitive Language

Example

$$L_1 = \{a^n b^n c^n \mid n > 0\}$$

The set of Production rules of Non-Contracting grammar G for L_1 :

- $S \rightarrow abc$
- $S \rightarrow aSBc$
- $cB \rightarrow Bc$
- $bB \rightarrow bb$

Example

Derive: $a^3 b^3 c^3$

Sandip is presenting

Dr. Sandip Waj. Associate Professor

Academic Year	2023-2024
Program driven by	Self-driven Activity
Program Associated with	ISTE/CSI/Association/AI Club
Quarter	I
Activity Name	One day hands-on workshop on “Applications of Generative AI”
Programme Type	Innovation
Program Starts Date	02.12.2023
Program Ending Date	02.12.2023
Number of Students Participants	40
Number of Faculty Participants	03
Number of Expert Participants, If Any	Nil
Expenditure, If Any	Nil
Mode of Delivery	Offline
Remark	<ul style="list-style-type: none"> • Expert gave training on generative AI using Colab and Visual Studio software on Artificial Intelligence. • It was very useful to the students to implement the AI Concepts. • Students actively implement the coding using Visual Studio and colab and students answered to the expert’s questions.
Objectives	To train about the recent technologies on Artificial Intelligence.

Benefits in terms of learning/skill/knowledge development	Students gained the knowledge about artificial intelligence, and the interaction session was really useful for developing their coding skills.

Circular

Ref: VCET/CSE/2023-24/CSE

Date: 30.11.2023

The Department of Computer Science and Engineering in association with ISTE, Students' Chapter along with Institution's Innovation Council (IC) is planned to conduct a one day hands-on workshop titled "Applications of Generative AI" under AI Club, for CSE students (I,II,III years) on 02.12.2023 through online mode. The schedule, resource person and the venue details are as follows.

Resource Person

Dr.A.M.Rajeswari
Associate Professor / CSE
Velammal College of Engineering and Technology,
Madurai

About the Workshop

The one day hands-on workshop mainly focuses on train the students to work on visual studio and google colab applications to implement the Generative AI concepts. The resource person will give the training for the applications of artificial intelligence concepts to the CSE year students.

Quarter	II
Activity Name	PYTHON PACKAGES FOR IMAGE REGONITION
Programme Type	Seminar
Program Starts Date	07.12.2023
Program Ending Date	7.12.2023
Number of Students Participants	63
Number of Faculty Participants	1
Number of Expert Participants, If Any	2
Expenditure, If Any	
Mode of Delivery	Offline
Remark	Students learnt about various module packages in python students came with their idea for upcoming project presentation..
Objectives	To make the students give knowledge on image recognition using python.

Benefits in terms of learning/skill/knowledge development	Students got knowledge on using the packages for higher level python programs.

Overall Report of the Activity

Date:	07.12.2023
Time:	10.00 AM – 12.30PM
Speaker:	Dr.R.Deepa Lakshmi, HoD-CSE
Topic:	PYTHON PACKAGES FOR IMAGE REGONITION

Speaker Profile:

Dr.R.Deepa laskhmi, Prof/ Hod-CSE, is a good motivator and guided more student Projects.

Key Learning and Take-Aways:

Students got more information about Python packages and got an idea to implement in real world problems. Overall, the session was very useful to the students.

Remark	The speaker demonstrated a profound understanding of Tkinter, unraveling its intricacies and showcasing its versatility in GUI development. The interactive sessions fostered engaging

	discussions, allowing attendees to delve deeper into Tkinter's capabilities and address pertinent queries.
Objectives	To provide attendees with a comprehensive understanding of Python Tkinter, covering its fundamental concepts.
Benefits in terms of learning/skill/knowledge development	Participants gained a solid conceptual understanding of Tkinter, including its core principles, architecture, and components. Over all, the talk has equipped student with the necessary skills and confidence to embark the journey of building robust and user-friendly Python applications using Tkinter.

Date: 15.12.2023

The Department of Computer Science and Engineering Joint with is planned to conduct an event "**Idea Presentation – Projects using Python**" for I –A CSE students on **20.12.2023**. All the students are informed to participate with your Innovative ideas / Project / Model to expose your skills on Python . Student team and title of the Mini-project should be submitted on or before 18.12.2023.

Note :

1. Team can have max of 5 students
2. Team should complete your presentation max of 10 mins.
3. All students should contribute in the presentation.
4. This will be considered as your Assignment -3

- **Presentation will be evaluated by the Senior Faculty members of our CSE department.**

Rubrics :

- Algorithm/Flow chart / Psuedo code
- Innovative Idea
- Presentation
- Teamwork

Remark	Students came with their idea with posters. They presented their ideas in-front of the resource persons and got more suggestion from the resource persons. Entirely, this Idea Presentation was very useful to the students and actively participated and displayed their mini projects.
Objectives	To make the students give solutions for the real world problems using python.
Benefits in terms of learning/skill/knowledge development	Students received more comments on their projects and the presentation was really useful to improve their innovations.

Circular

Ref: VCET/CSE/2023-24/CSE

Date: 18.12.2023

The Department of Computer Science and Engineering in association with ISTE Students' Chapter along with Institution's Innovation Council (IIC) is planned to conduct a Webinar titled "Technology Awareness towards Career Planning" under Techie Club, for II year students (2022-26 batch) on 20.12.2023. We kindly request you to approve the same. The schedule, resource person and the venue details are as follows.

Resource Person

Mr. K. Sanjay Kumar
Associate Consultant
Tata Consultancy Services Private Limited
Chennai

Venue Details

Respective Students' Home (via Google Meet)
Timing: 5.00 pm to 7.00 pm

About the Webinar

The webinar focuses mainly to make the students ready towards their career plan by discussing the current technologies across the world. The webinar also used to discuss how the future technologies will be and hence the students can make their move smart towards the same. The technologies that are going to rule over the next 10 to 15 years will be shared by the resource person and the webinar will play a vital role to understand the technologies in the IT sector.

Academic Year	2023-2024
Program driven by	IIC - Calendar Activity
Program Associated with	Techie Club
Quarter	II
Activity Name	Webinar on Technology Awareness towards Career Planning
Programme Type	Technology and Innovation related
Program Starts Date	20.12.2023
Program Ending Date	20.12.2023
Number of Students Participants	55
Number of Faculty Participants	1
Number of Expert Participants, If Any	1
Expenditure, If Any	NIL
Mode of Delivery	Online (Google Meet)
Remark	-
Objectives	<ul style="list-style-type: none">* To disseminate the awareness towards the current technologies to the students* To guide the students towards their career plan by discussing how the future technologies will be.
Benefits in terms of learning/skill/knowledge development	<ul style="list-style-type: none">* Acquired current IT technologies related basic knowledge.* Acquired the basic ideas of how the future IT technologies will rule the world.

REPORT OF THE EVENT

Overall Report of the Activity	
Date:	20.12.2023
Time:	7.00 pm to 9.00 pm
Speaker:	Mr. K. Sanjay Kumar Associate Consultant Tata Consultancy Services (TCS) Private Limited Chennai
Topic:	Technology Awareness towards Career Planning
Speaker Profile:	Mr. K. Sanjay Kumar completed his UG Engineering Degree from CSE department in 2008 and having nearly 15 years of IT experience. Presently he is working as Associate Consultant in Tata Consultancy Services Private Limited. His major areas are IoT, Data Mining.
Key Learning and Take-Aways:	* Technology Awareness * Future major technologies

Overall Report of the Activity

Date:	31.01.2024
Time:	10.00 AM – 4.00 PM
Chief Guests:	1. Mr.Nawas Babu 2. Mr.R.V.Gautham
Event Name:	3-IDIOTS Interdisciplinary Project Contest

Chief Guests Profile:

1. Mr.Nawas Babu, Managing Director, S A Knitwears Pvt Ltd, Madurai
2. Mr.R.V.Gautham , Senior Associate , Cognizant Technology Solutions, Chennai

Remarks :

The ISTE Chapter of Velammal college of Engineering and Technology presents a National Level Interdisciplinary project contest 3 IDIOTS for students all over India from the year 2015.

To channelize their energy positively, the contest is to hunt innovative thinking and implement solutions for real-time problems from 3 students from 3 different departments of engineering brains.

The evaluation process of the contest is as follows

Round 1 : Abstract Submission

42 teams from various institutions across India submitted their idea for round 1. The idea was evaluated by the panel members are

- 1.Dr.Ronald Aseer, NIT Pondicherry
- 2.Dr.V.Jeyalakshmi, Anna University Guindy
- 3.Dr.R.Mohan , NIT Trichy
- 4.Dr.A.M.Rajeshwari , VCET Madurai
- 5.Dr.N.Karpagam , VCET Madurai
- 6.Dr.B.Varun Kumar , VCET Madurai

Round 2 : Online Presentation

37 teams got shortlisted for round 2 they were instructed to submit 10 minute video presentation of their project.

The videos were evaluated by our international juries,

- 1.Mr.Karthikeyan V , Toyota USA
- 2.Ms.Sneha S , Nordea Greater Stockholm
- 3.Ms.P.Rajpriya , SAP Expert , Germany
- 4.Mr.Shivakumaran , Data scientist , Mannheim
- 5.Ms.Shalini S , Dell EMC
- 6.Mr.Paul James , United Services USA
- 7.Mr.Prasanna R , SAP Germany
- 8.Mr.Dhinesh babu K, BNP Paribas. Germany

Round 3 : Project demonstration

20 teams had been selected for the final project demonstration. The teams were evaluated by the following one internal and one external expert.

- 1.Dr. V.Anbumalar, Professor and Head-Mechanical, Velammal College of Engineering and Technology, Madurai
2. Mr.R.V.Gautham , Senior Associate , Cognizant Technology Solutions, Chennai

During the culminating stage of the 3 Idiots Interdisciplinary contest, 20 teams comprising a total of 60 students enthusiastically showcased their projects. Following rigorous evaluation by the panel members, two standout teams were awarded the prestigious first prize of Rs.30,000 and the second prize of Rs.20,000.

Re: Letter of Appreciation for the Sponsorship Amount: Rs.50,000

Greetings from the Department of Computer Science and Engineering at Velammal College of Engineering and Technology, Madurai.

We're pleased to have you as a sponsor for the upcoming event "3IDIOTS" going to be held on January 20, 2024 for the prize amount of Rs. 50,000. We the department of CSE appreciate the acknowledgment of your support.

We know you understand the importance of such events in fostering learning, innovation, and collaboration within the academic student community. Your assistance and continual support is encouraging, and we are committed to the success of future programs that aim to motivate and engage bright minds.

We keep updating the details of the event, and also the inspiring achievements of the participants. If there are any further collaborations or ways you can support our department, do not hesitate to reach out.

Remark	Session 1: Students Rally: An awareness rally was started at 10.00 A.M in the College campus. A Student Rally was inaugurated by Dr.N.Suresh Kumar, Senior Principal ,

	<p>Dr.P.Alli,Principal and Dr.R.Deepalakshmi , Head of the Department. More than 180 students and faculty members from CSE were participated in this programme.</p> <p>Session 2: Awareness Initiative in Schools:</p> <p>In the course of activity on e-Waste awareness, the organizers visited the school faculty prior to the event and asked them to make the students to bring the e-waste from their homes. Our student team explained the importance of e-waste management and collected the e-Waste from the students.</p> <p>Session 3: Expert Talk:</p> <p>Expert talk on e-waste management was conducted on 12.01.2024 by Dr.P. Saravanan, Associate Professor, School of Computer science and Engineering, VIT, Chennai. He gave a special talk on E-Waste management. This seminar is very much relevant to the present situation of the society. The session was concluded by the vote of thanks by Mrs.C.B.Selvalakshmi,AP/CSE.</p>
Objectives	To make the students to know about the issues of electronic waste in the environment.
Benefits in terms of learning/skill/knowledge development	This initiative encourages the students to ensure proper handling of e-Waste to protect the environment.

Date: 12/04/2024

Date: 10.04.2024

Time: 11.00 A.M – 01.00 P.M

Mode: offline

Resource Person: Mr.U Sanker Ganesh

Elysium Academy
Madurai

Objective

- To provide participants with a comprehensive understanding of embedded systems, including their architecture, applications, and development tools.
- To share current trends, challenges, and advancements in embedded systems, offering participants a clear perspective on the field's future directions.
-

Outcome

- Participants gained a thorough knowledge of embedded systems concepts and their real-world applications, enhancing their theoretical foundation in this field.
- Attendees developed an awareness of the latest trends and challenges in embedded systems, equipping them with valuable insights for their academic and professional growth.

Seminar on “Cyber Crime and Security “– Report

Date: 20.04.2024

Date : 19.04.2024

Time: 10.10 am -1.20 p.m.

Venue: CSE Lab II

RESOURCE PERSON

Mr.Dilish Babu S

Verification and Validation engineer

Veonner India Pvt Limited

Bangalore(Online)

Objective of the Program

The main objective is to raise awareness about the types and prevalence of cybercrime. Mr. Dilish Babu S has opened the seminar with a keynote address on "The Evolution of Cyber Threats". He highlighted the shift from traditional hacking to more sophisticated forms of cyber-attacks, such as ransomware, phishing, and advanced persistent threats (APTs).

Outcome of the Program

At the end of the program Students learnt best practices and strategies for enhancing cybersecurity.

Report

Ref : VCET/CSE/2023-24/IIC/15042024

Date: 20/04/2024

DATE: 19.04.2024

TIME: 09.30 A.M – 3.30 P.M

MODE : ONLINE

RESOURCE PERSON: Mr. Raja Arumugam,& Mr.Suman Kumar

Deputy controller of Patents, Chennai.

Audience: IV Year Students

No of Students Attended: 60

No. of Faculty Attended: 4

Objective & Outcome:

- To contribute new knowledge, insights, or perspectives to the existing body of literature on a particular subject.
- To address a research problem, question, or hypothesis by conducting a structured investigation and analysis.
- To communicate research findings, methodologies, and results to a wider audience, including peers, academics, policymakers, and the general public
- To encourage critical thinking and rigorous analysis of data, evidence, and sources.
- To ensure that research methods, data, and results are presented in a transparent and replicable manner, allowing others to verify and build upon the research.

Outcome

- Research papers, articles, or reports are published in academic journals, books, conference proceedings, or online platforms to reach a wider audience.
- Research findings are disseminated to the broader community, facilitating knowledge transfer and potential application in practical contexts.
- Research writing often identifies areas for further research and exploration, laying the groundwork for future investigations.

Academic Year	2024-2025
Program driven by	Self-driven Activity
Program Associated with	ISTE/CSI/Association/IDEA Lab
Quarter	IV (2023-2024)
Activity Name	Startup Opportunities in Agribusiness and Incubation support
Programme Type	Startup
Program Starts Date	23.07.2024
Program Ending Date	23.07.2024
Number of Students Participants	45
Number of Faculty Participants	
Number of Expert Participants, If Any	2
Expenditure, If Any	
Mode of Delivery	Offline
Remark	Students gained more knowledge on funding schemes and fund providers.
Objectives	To give awareness on various funding schemes for the innovative projects.

Benefits in terms of learning/skill/knowledge development	Students got more information about innovative ideas on Agri field and various funding schemes on agriculture oriented product development.

VISION OF THE INSTITUTE

To emerge & sustain as a centre of excellence for technical & managerial education upholding social values.

MISSION OF THE INSTITUTE Our aspirations are

1. Imparted with comprehensive innovative & value based education
2. Expected to technical, managerial and soft skill resources with emphasis on research & professionalization
3. Incubated with the seed for a disciplined, happy, married & peaceful life.

VISION OF THE DEPARTMENT

To produce quality Electrical Engineers for industry and good citizens for society through excellence in technical education and research.

MISSION OF THE DEPARTMENT

1. To empower graduates with sophisticated knowledge and technical skills.
2. To explore, create and develop innovations in Electrical Engineering and Technology.
3. To provide beneficial service to the rural, state, national and international communities.

(AUTONOMOUS)

Title: Upskilling course on 5G communication technology: A step to innovation
Date: 09.09.2023
Time: 02:00 pm to 04:00 pm
Duration : 2 hours
Activity Category: Self Driven
Theme: Innovation

Event summary

Mrs. T.V. Saranya, Regional Business Head, DADB- German academy of digital education interacted with budding engineers of VCET on 09.09.2023 through a webinar. The expert discussed about the importance of 5G technologies. With the advent of 5G in India, businesses and the government are rethinking the way jobs in the tech-sector can be filled. 5G will power many use cases for consumers and businesses as well as propel the digital transformation across sectors. Thus, bridging the skills gap in India is crucial to ensure that the workforce is ready to meet the challenges and opportunities presented by 5G.

Benefits:

She emphasized the need for upskilling in latest technology. She also briefed out the career opportunities through 5G technology. The importance of individual career growth and growth of organizations. By acquiring new skills, students can bring innovative solutions to the table, which helps the company stay competitive in the market.

Outcome:-

About the Expert :

Dr.B. Shakila obtained her B.E. Degree with First Class in Electrical and Electronics Engineering from Kamaraj college of Engg and Technology affiliated to Anna University, Chennai, in the year 2009, and She has completed her Master Degree in Power Systems Engineering from Kalasalingam University, Tamilnadu, India in the year 2012. She has secured gold medal during PG studies. She was awarded doctoral degree (Ph.D in electrical and electronics engineering) in the year 2018 from National Institute of Technology Nagaland. She is working as Assistant Professor in the department of Electrical and Electronics Engineering, National Institute of Technology Nagaland, India, since 2013. Her areas of research interest include smart grid security, renewable energy systems and machine learning. She is a life time member of ISTE and IIM. She also has industrial experience at Infosys, Mysore.

Target Audience : II year EEE

SMART GRID definition, EXISTING GRID VS SMART GRID – comparison, CONCEPTUAL SMART GRID FRAMEWORK (IEC) , Smart Metering, Conventional Vs Contemporary Energy Meters, Need for Smart Metering Infrastructure - Key Factors, Components Of Smart Metering, Functional Block Diagram of Smart Metering, Smart metering communications & protocols, Smart metering installed capacity in India, advantages and short falls.

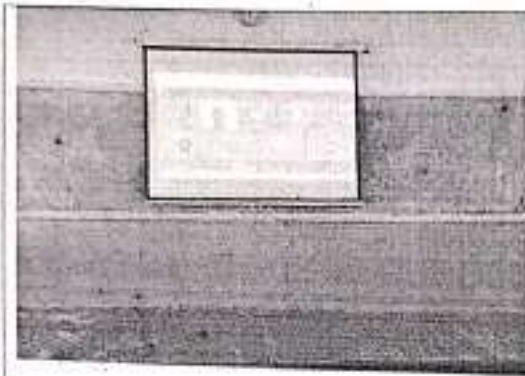

Benefits:

II year EEE students are studying Transmission & Distribution. This topic will explore the ideas for reducing transmission losses and improvement techniques for reactive power compensation

VELAMMAL COLLEGE OF ENGINEERING AND TECHNOLOGY MADURAI - 625 009. (AUTONOMOUS)

Title: Transition to Electric Mobility in India for design of EV
Date: 07.11.23
Time: 2pm to 4 pm
Duration: 2 hour
Activity Category: Webinar (Self Driven)
Theme: Design thinking
Social media link:

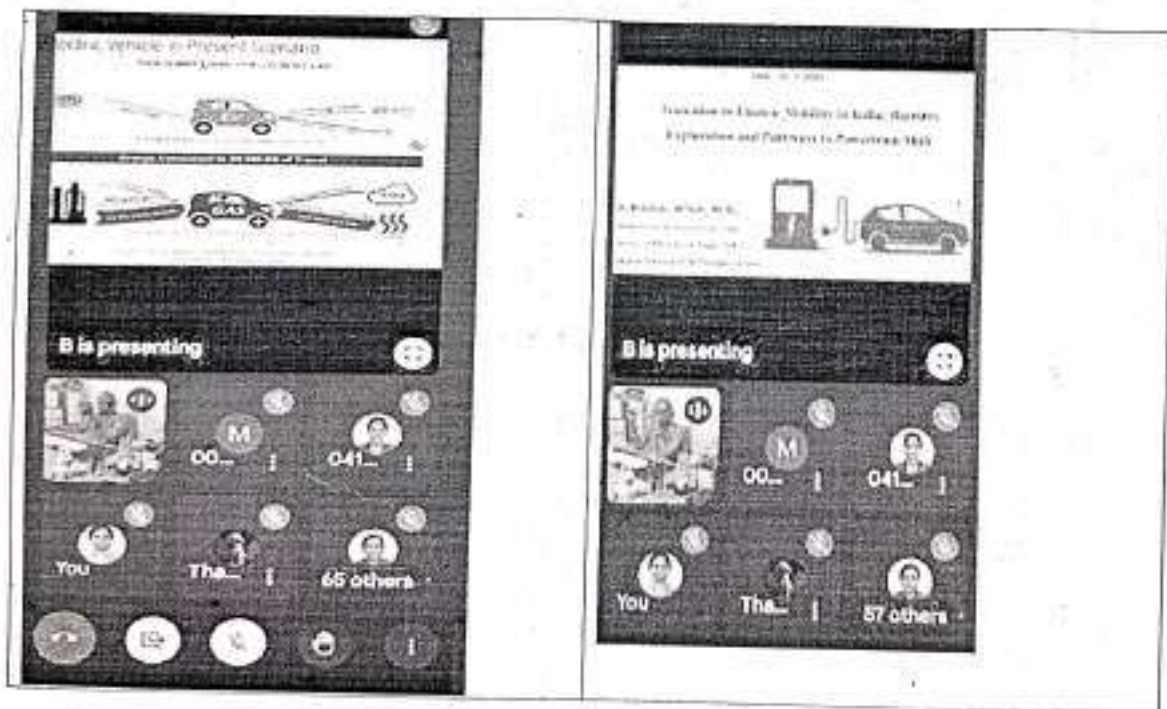

<https://www.instagram.com/p/CzalEtqLUSDOOT22LmVibZl7TüOiiHhKmqM84g0/?igshid=aGVjMWE2MxR6dGxl>

Outcome:

Students able to understand the specifically designed for India's urban environments
Driving an electric vehicle can help you reduce your carbon footprint because there will be zero tailpipe emissions. You can reduce the environmental impact of charging your vehicle further by choosing renewable energy options for home electricity.
Benefits: Students able to understand the Design of Electric vehicle and battery management system.

VELAMMAL COLLEGE OF ENGINEERING AND TECHNOLOGY MADURAI - 625 009. (AUTONOMOUS)

Title: Design of Load Frequency Control (LFC) in Smart Grid Environment

Date: 08.11.23

Time: 2.00 -4.00 PM

Duration : 2 hour

Activity Category: Self Driven

Theme: Design thinking

Outcome:

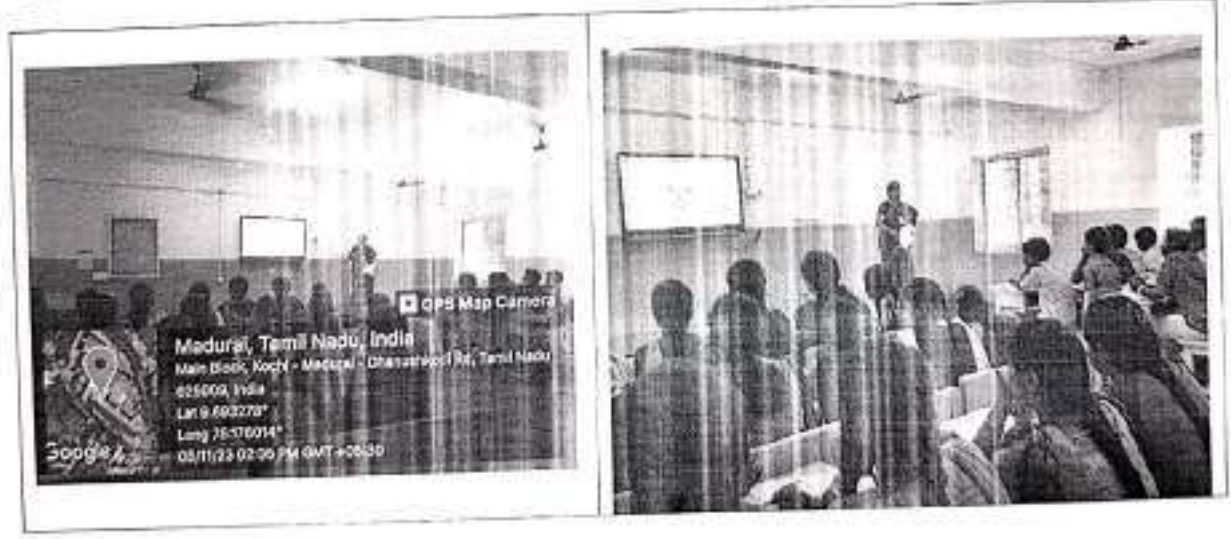

Resource Person: Dr.A.Shunmugalatha, Professor and Dean (Academics), VCET, Madurai.

The resource person is having more than 25 years of experience and done her research in the area of Power System operation. The targeted audiences are IV year EEE students of department of EEE of Velammal College of Engineering and Technology, Madurai.

In the recent era of smart grid, the modeling of LFC and AVR places vital role. In general a power system is said to be good, if it is maintaining the voltage profile and frequency profile. Hence voltage and frequency should be maintained within the tolerance limit. In order to perform these both has to be modeled. Out of these two, modeling the frequency was taught. The students will be able to understand the various parameters that will contribute to the control of frequency.

Title: Global Investors Meet 2024

Date: 07.01.2024 & 08.01.2024

Time: 10.00am -12.00Noon

Duration : 4 Hours

Activity Category: Self Driven

Theme: Entrepreneurship

Resource Person:

**M. S. Sangeetha, I.A.S.,
Madurai District Collector
Madurai.**

Title: Global Investors Meet 2024

Date: 07.01.2024& 08.01.2024

Outcome:

Participants gained more knowledge about investment opportunities that are not present domestically. Developed markets like the US are home to some of the world's largest tech companies and attracted foreign investment requires a clear and coordinated strategy that focuses on creating an attractive business environment, offering incentives, developing a skilled workforce, investing in infrastructure, and building strong international relationships.

VISION OF THE INSTITUTE

To emerge & sustain as a centre of excellence for technical & managerial education upholding social values.

MISSION OF THE INSTITUTE: Our objectives are:

1. Imparted with comprehensive knowledge & value based education
2. Exposed to technical, managerial and soft skill resources with emphasis on research & professionalization

VISION OF THE DEPARTMENT

To produce quality Electrical Engineers for industry and good citizens for society through excellence in technical education and research.

MISSION OF THE DEPARTMENT

1. To empower graduates with sophisticated knowledge and technical skills.
2. To explore, create and develop innovations in Electrical Engineering and Technology.

Programming Club

Seminar on "Quantitative Aptitude"

20th November 2023

Summary

A seminar on "Quantitative Aptitude "was organised by our IT department in an online mode under the Programming Club 20th November 2023 for II Year "B" students. A total of 25 students actively participated. Students gained knowledge in some related topics like time, work, and distance, as well as boats and streams, and also learned the shortcuts to those topics related to placement training. The overall view of this session was good.

Mr. Pravir Kumar,
CEO, Rubicon Skills Development Pvt.Ltd.
Awfis, Unit 1, Business@Mantri Ground Floor, Viman Nagar,
Pune - 411014

I am writing to express my sincere appreciation to Darshana M for organizing the 4-day life skills and personality development program from 09 - 12 January, 2024. The program was an excellent opportunity for our students to learn and develop new skills that will undoubtedly help them in both their personal and professional life.

The content and delivery of the program were outstanding. The trainer was very knowledgeable and engaging, making the learning process both enjoyable and informative. The sessions were well-structured and provided a good balance between theory and practical activities. I particularly appreciated the focus on hands-on exercises, as they allowed our students to put the concepts into practice immediately.

Overall, the program was a fantastic experience, and I am grateful for the opportunity that our students of Engineering and Management Studies have participated in it. The knowledge and skills they acquired will undoubtedly benefit them for years to come. I would like to thank Rubicon Soft Skills Pvt LTD for their hard work and dedication in organizing such a useful program. I would highly recommend this program to anyone looking to develop their life Skills and personality. I request to give more this kind of opportunities to our students for their holistic development.

Thank you once again,

Sincerely,

Dr. P. Alli

PROGRAM REPORT

PROGRAM : "HR Connect 2024: Revolutionizing HR in New Normal Era"
DATE : 06.04.2024
TIME : 10.00 AM
VENUE : Auditorium

Velammal College of Engineering and Technology, (Autonomous) Madurai, Department of Management Studies and Department of Artificial Intelligence and Data Science on 06.04.2024 (Saturday) hosted "HR Connect – 2024 - Revolutionizing HR in new normal Era"- A Panel Discussion at Sri Kamaraj Auditorium. Dr.V.Selvalakshmi- Head of the Department of Management Studies welcomed the gathering. The event was presided over by the Principal of the College, Dr. P. Alli and followed by special address by Dr.C.Selvaraj, Advisor-MBA/VCET.

Mr Benedict Gnaniah, Founder and CEO of "Ask the Turtle" delivered the key note address. In his keynote address, he emphasized the importance of upskilling and reskilling for engineering graduates to pursue career as HR professionals. IT industry and Engineering core industries has a huge scope for engineers as HRs. The panel consisted of three speakers, Mr. M. Radhakrishnan, Mr. Venkatesh Mahadevan, and Mr. Yahya Rasheed who offered a space for in-depth conversations about changing the way we understand revolutionizing HR in New

Normal Era of Artificial Intelligence. Mr. Mr. Benedict Gnaniah, Founder and CEO of "Ask the Turtle" also joined the panel discussion. Mr. M. Radhakrishnan, Vice President -HR, APEX Laboratories, Chennai. He also gave his insights about how the HR function is identified as an integral part of business at present. Students should focus on soft skills such as it is necessary to negotiate with all kind of diversity in this Globalized era. Also, he spoke about evolution of employment engagement policies and equal opportunities in organisations.

During the panel discussion Mr. Venkatesh Mahadevan, one of the panellists, shared insights from his experience as a Fellow - British Computer Society, Mentor - Columbia North Eastern University, Transformational CIO, Tech-Evangelist & Angel Entrepreneur from Dubai about how HR function played a pivotal role and acted as the support system during pandemic and it cannot be swapped by Artificial Intelligence. He also emphasized about manifold growth of Artificial Intelligence in the near future and need for continuous upgradation of AI skills to remain competitive and also to sustain in the work environment.

Mr. Yahya Rasheed, Global Head L & D, HCL Technologies, Chennai in his turn highlighted that HRs are the face of the management since it deals with all the departments of an organization and it should be like the bench mark of the industry. Dr. Monica Paul, Educationist, CEO, Prowhiz, Chennai moderated the whole session. Dr. S. Sasikala, Professor and Head - Department of Artificial Intelligence and Data Sciences delivered the vote of thanks. Panel discussion highlighted the importance of HR being the positive motivation for the employees and the importance of upskilling for Fresh minds and using generative AI for development.
