

SUSTAINABLE DEVELOPMENT GOALS

VCET - Sustainable Development Policy Statement

At VCET, we are committed to promote *Sustainable Development* through Education, Research, Innovation, and active Community engagement. As an Institution dedicated to Engineering excellence, we recognize our responsibility to foster environmentally conscious practices and to prepare our Students to be leaders in building a sustainable future.

VCET - Sustainable Development Policy Objectives

At VCET, we are dedicated to

- Integrate principles of sustainability into Engineering Curricula, encourage Research and Innovation and project-based learning that contribute to sustainable Technologies
- Collaborate with Industry, Government, and local communities to address sustainability challenges through technical expertise and service-learning.
- Minimize the Institution's ecological footprint by conserving Energy, Water, and Natural resources.
- Implement Green Infrastructure, Energy-efficient systems, and Renewable energy sources in College facilities.
- Establish measurable Sustainability Goals and periodically review progress through Audits and performance indicators.
