In such case, the internal assessment marks obtained by the candidate in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (1A + End Semester Examination) then the candidate shall be declared to have passed the examination if he/she secures a minimum of 50% marks prescribed for the end semester examinations alone. If any other professional elective or open elective course is opted for by the student, the previous registration is cancelled and henceforth it is to be considered as a new professional elective or open elective course. • The student has to register and attend the classes, earn the continuous assessment marks, fulfil the attendance requirements as per Clause 10, and appear for the end-semester examination. If a student is absent during the viva – voce examination, it would be considered to be a failure. If a student fails to secure a pass in Project Work-I, the student shall register for the course again in the subsequent semester and can do Project Work-I and II together. • The passing requirement for the courses which are assessed only through purely internal assessments (EEC courses except Project Work and laboratory), is 50% of the internal assessment (continuous assessment) marks only. A student can apply for revaluation of the student's semester examination answer paper in a theory course, as per the guidelines given by the CoE on payment of a prescribed fee along with a prescribed application to the CoE through the HoD and the Head of the Institution. The CoE will arrange for the revaluation and the results will be intimated to the student concerned through the Head of the Institution. Revaluation is not permitted for laboratory courses and EEC courses. A student can apply for revaluation of answer scripts for not exceeding 5 courses at a time. • Review/Revaluation Process - Candidates not satisfied with Revaluation can apply for a Review of his / her examination answer paper in a theory course,

The grades O, A+, A, B+, B, C obtained for the one/two credit course (not the part of the curriculum) shall figure in the Grade Sheet under the title '**Value Added Courses / Internship / Industrial training**'. For the students who complete the Audit Course satisfying attendance requirements, the title of the Audit Course will be mentioned in the Grade Sheet. If the attendance requirement is not satisfied, it will not be shown in the Grade Sheet.

- **Grade Sheet** - After results are declared, Grade Sheets will be issued to each

	student which contains the following details: The college in which the candidate has studied. The list of courses registered during the semester and the grade scored. The Grade Point Average (GPA) for the semester. The Cumulative Grade Point Average (CGPA) of all courses enrolled from the first semester onwards. CGPA will be calculated using the Formula $GPA / CGPA = \frac{\sum_{i=1}^n C_i GP}{\sum_{i=1}^n C_i}$	
	• Eligibility for the award of Degree - A student shall be declared to be eligible for the award of the M.B.A. provided the student has I.
