2 PROGRAMME OFFERED AND ADMISSION REQUIREMENTS

2.1 P.G. PROGRAMME OFFERED: Master of Business Administration (M.B.A.)

2.2 ADMISSION REQUIREMENTS:

- 2.2.1 Candidates for admission to the first semester of the Post-Graduate Degree Programme shall be required to have passed an appropriate Under-Graduate Degree **Examination of Anna University** or equivalent as specified under qualification for admission as per the Tamil Nadu single window counselling process. The Govt of Tamil Nadu releases the updated eligibility criteria for the admission. Admission shall be offered only to candidates who possess the qualification prescribed and the eligibility criteria for the programme.
- 2.2.2 However, the University may decide to restrict admission in any particular year to candidates having a subset of qualifications prescribed at the time of admission.
- 2.2.3 Notwithstanding the qualifying examination the candidate might have passed, he/she shall have a minimum level of proficiency in the appropriate programmes / courses as prescribed by the University from time to time.
- 2.2.4 Eligibility conditions for admission such as the class obtained, the number of attempts in qualifying examination and physical fitness will be as prescribed by the University from time to time.

3 STRUCTURE OF THE PROGRAMME

3.1 Categorization of Courses

Every Post Graduate Degree Programme will have a curriculum with syllabi consisting of theory and practical courses that shall be categorized as follows:

- i. **Foundation Courses (FC)** may include Mathematics or other basic courses
- ii. **Professional Core Courses (PCC)** include the core courses relevant to the chosen specialization / branch.
- iii. **Professional Elective Courses (PEC)** include the elective courses relevant to the chosen specialization.
- iv. **Non-Functional Elective Courses (NEC)** include elective courses outside of the area of specialization.
- v. **Employability Enhancement Courses (EEC)** include Project Work and/or Internship, Seminar, Professional Practices, Summer Project, Case Study and Industrial / Practical Training.

3.2 Courses per Semester

Curriculum of a semester shall normally have a blend of lecture courses and practical courses including Employability Enhancement Courses. Each course shall have credits assigned as per clause 3.3.

3.3 Credit Assignment

Each course is assigned certain number of credits based on the following:

Contact period per week	CREDITS
1 Lecture Period	1
1 Tutorial Period	1
1 Practical Period (Laboratory / Seminar / Project Work etc)	0.5

3.4 Project Work

The Project work is an important component of Post-Graduate programmes. The Project Work has to be undertaken in the final semester.

3.4.1 The Project work for M.B.A. shall be pursued for a period of 16 weeks during the final semester, with an additional of maximum 4 weeks for report writing, the total project duration not exceeding 20 weeks.

3.4.2 The Project work shall be carried out under the supervision of a faculty member in the Department concerned. The faculty member must be possessing a M.B.A. degree (i) with a minimum of 2 years of teaching experience or (ii) Ph.D. degree.

3.4.3 A student shall be permitted to work on projects in an Industrial / Research Organization, on the recommendations of the Head of the Department. In such cases, the student shall be instructed to meet the supervisor periodically once every week and attend the review committee meetings for evaluating the progress. In case the student is undertaking the project work in the department, the student has to report every day to the supervisor either in physical mode or online mode.

3.4.4 The review meetings, if necessary, may also be arranged in online/offline mode with prior approval from the Head of the Institution and suitable record of the meetings shall be maintained.

3.5 The deadline for submission of final Project Report is 30 calendar days from the last working day of the semester in which project is done.

3.6 Industrial Training / Internship:

3.6.1 The students need to undergo Internship for a period of continuous 4 weeks in an organization/ Research organization / Educational Institution / industry (after due approval from the Head of the Institution) after the completion of the second semester examination. Students shall get approval from the Head of the Institution and the Certificate of completion of Internship shall be forwarded to CoE. Attendance Certificate signed by the competent authority of the industry, as per the format provided by Dean (Academics) shall be submitted to the Head of the Institution. The attendance certificate shall be forwarded to CoE for processing results.

4 Weeks *	2

***1 Week = 40 Internship Hours**

- 3.6.2** At the end of Summer Internship, the student shall submit an Attendance certificate from the organization where he/she has undergone training and also a brief report. The evaluation for 100 marks will be carried out internally based on this report and a viva-voce Examination will be conducted by a Departmental Committee constituted by the Head of the Institution. The attendance certificate submitted by the students shall be attached to the mark list forwarded by the Head of the Institution to COE.
- 3.7** Instead of Non-functional elective, the student may be permitted to choose ONE course from other PG programmes with the approval of the Head of the Department offering such courses.
- 3.8 Value Added Courses**
The students may optionally undergo Value Added Courses (VAC) over and above the topics covered in the curriculum to obtain practical and industry specific knowledge. The credits earned through the Value-Added Courses shall be over and above the total credit requirements prescribed in the curriculum for the award of the degree. **These courses shall be offered by a Department of an Institution with the prior approval from the Head of the Institution and Dean (Academics) without any additional fee charged from the students.** The details of the syllabus, timetable and course coordinator may be sent to the Dean (Academics) atleast one month before the course is offered for approval. **Students can take a maximum of two courses during the entire duration of the Programme.**
- 3.9 Online Courses**
Students may be permitted to credit a maximum of two online courses (in his/her chosen area of specialization) subject to a maximum of six credits, with the approval of the Head of the Institution and the Dean (Academics), in lieu of two professional elective courses. The Head of the Institution shall form a three-member committee with members as HoD, a faculty member from the Department of the student and HoD of any other branch of the Institution to ensure that the student has not studied such courses and would not repeat it again as Professional Core/Professional Elective courses. Suitable online courses shall be chosen from the NPTEL platform.
- 3.10** A student is permitted to register a maximum of two courses in total from clause 3.7 and 3.9.
- 3.11 Medium of Instruction**
The medium of instruction is English for all courses, examinations, seminar presentations and project / thesis / dissertation reports.

4 DURATION AND STRUCTURE OF THE PROGRAMME:

4.1 The minimum and maximum period for completion of the P.G. Programme is given below:

Programme	Min. No. of Semesters	Max. No. of Semesters
M.B.A.	4	8

4.2 The Curriculum and Syllabi of the M.B.A. Programme shall be approved by the Academic Council. The number of Credits to be earned for the successful completion of the Programme shall be as specified in the Curriculum of the M.B.A. Programme.

4.3 Each semester shall normally consists of 75 working days or 540 periods of each 50 minutes duration. The Head of the Institution shall ensure that every teacher imparts instruction as per the number of periods specified in the syllabus and that the teacher teaches the full content of the specified syllabus for the course being taught. For the purpose of calculation of attendance requirement for writing the end semester examinations (as per clause 10) by students, following method shall be used.

$$\text{Percentage of Attendance} = \frac{\text{Total no. of periods attended in all the courses per semester}}{\left[\frac{\text{No. of periods / week as prescribed in the curriculum}}{\text{taken together for all courses of the semester}} \right] \times 15} \times 100$$

End Semester Examinations conducted by the Institution will be scheduled after the last working day of the semester.

4.4 The minimum prescribed credits required for the award of the degree shall be within the limits specified below:

Programme	Prescribed Credit Range
M.B.A.	90-94

5. COURSE REGISTRATION

5.1 Flexibility to Drop courses

5.1.1 A student has to earn the total number of credits specified in the curriculum of the respective Programme of study in order to be eligible to obtain the degree.

5.1.2 From the first to pre-final semesters, the student has the option of dropping existing courses in a semester during registration. Total number of credits of such courses cannot exceed 6. The student is permitted to drop the course(s) within 30 days of the commencement of the academic schedule.

5.2 Each student has to register for all courses to be undergone in the curriculum of a particular semester (with the facility to drop courses to a maximum of 6 credits (vide clause 5.1.2)).

The registration details of the candidates may be approved by the Head of the Institution and forwarded to the Controller of Examinations. This registration is for undergoing the course as well as for writing the End Semester Examinations.

The courses that a student registers in a particular semester may include

- i. Courses of the current semester.
- ii. Courses dropped in the lower semesters and arrears.

The maximum number of credits that can be registered in a semester is 36. However, this does not include the number of Re-appearance (U) and Withdrawal (W) courses registered by the student for the appearance of Examination.

6 EVALUATION OF PROJECT WORK

6.1 The evaluation of project work shall be done as per the weightages given in Table

There shall be three assessments (each 100 marks) during the Semester by a review committee. The student shall make presentation on the progress made before the Committee. The Head of the Institution shall constitute the review committee for each programme. The review committee consists of supervisor, expert from the Department and a project coordinator from the Department. If the project coordinator/expert member happens to be the Supervisor, then an alternate member shall be nominated.

The total marks obtained in the three assessments shall be reduced to 40 marks and rounded off to the nearest integer (as per the Table given below). There will be a vice-voce Examination during End Semester Examinations conducted by a Committee consisting of the supervisor, one internal examiner and one external examiner. The internal examiner and the external examiner shall be appointed by the Controller of Examinations. The distribution of marks for the internal assessment and End semester examination is given below:

Internal Assessment (40 Marks)			End Semester Examination(60 Marks)			
Review - I	Review - II	Review - III	Project Report Submission (15 Marks)	Viva – Voce (Rounded to 45 Marks)		
			External Examiner	Internal Examiner	External Examiner	Supervisor
10	15	15	15	15	15	15

6.2 The Project Report prepared according to approved guidelines as given by the Dean (Academics) and duly signed by the supervisor(s) and the Head of the Department concerned shall be submitted to the CoE.

6.3 If the student fails to obtain 50% of the internal assessment marks in the final project, he/she will not be permitted to submit the project report and has to register for the same in the subsequent semester.

If a student fails to submit the project report on or before the specified deadline, he / she is deemed to have failed in the Project Work and shall register for the same in a subsequent semester.

If a student fails in the end semester examinations of the Final Project work of M.B.A., he / she shall resubmit the Project Report within 30 days from the date of declaration of the results. The resubmission of a project report and subsequent viva-voce examination will be considered as reappearance with payment of examination fee. For this purpose, the same Internal and External examiners shall evaluate the resubmitted report.

If a student has submitted the project report but did not appear for the viva-voce examination, it is considered as fail and he / she will be permitted to resubmit the report within 30 days from the declaration of results and permitted for reappearance in viva-voce examination.

A copy of the approved Project Report after the successful completion of viva-voce examinations shall be kept in the library of the Institution.

7 CLASS ADVISOR AND MENTOR

7.1.1 There shall be a class advisor for each class. The class advisor will be one among the course instructors of the class. He / She will be appointed by the Head of the department concerned. The responsibilities for the class advisor shall be:

- To act as the channel of communication between the HoD and the students of the respective class.
- To collect and maintain various statistical details of students.
- To help the chairperson of the class committee in planning and conduct of the class committee meetings.
- To monitor the academic performance of the students including attendance and to inform the class committee.
- To attend to the students' welfare activities like awards, medals, scholarships and industrial visits.

7.2 MENTOR

- Normally 20 students are assigned to every mentor (Faculty member)
- Mentor monitors the progress of the students in academics and personality development.
- Mentor shall counsel the students on a one-to-one basis as and when required.
- Mentor supports the class advisor in executing their responsibilities.

8 CLASS COMMITTEE

8.1 A Class Committee consists of teachers of the concerned class, student representatives and a chairperson who is not teaching the class. It is like the 'Quality Circle' (more commonly used in industries) with the overall goal of improving the teaching-learning process. The functions of the class committee include:

- Clarifying the regulations of the degree programme and the details of rules therein (particularly clause 4 and 5) which should be displayed on college Notice-Board.
- Identifying the problems experienced by students in the class room and in the laboratories.
- Informing the student representatives, the academic schedule including the dates of assessments and the syllabus coverage for each assessment.

- Analyzing the performance of the students of the class after each test and finding the ways and means of solving problems, if any.
- Identifying the needy students, if any, and requesting the teachers concerned to provide additional guidance or coaching to such students.
- The Chairperson is required to prepare the minutes of every meeting and submit the same to Principal within two days of the meeting. The same shall be circulated among the students and faculty members concerned. If there are some points in the minutes requiring action by the Management, the same shall be brought to the notice of the Management by the Principal.
- Two or three subsequent meetings shall be conducted in a semester at suitable intervals. During these meetings, the student members representing the entire class, shall meaningfully interact and express the opinions and suggestions of the other students of the class in order to improve the effectiveness of the teaching-learning process.

- 8.2 The class committee for a class under a particular programme is normally constituted by the Head of the Department. However, if the students of different programmes are mixed in a class, the class committee is to be constituted by the Head of the Institution.
- 8.3 The class committee shall be constituted within the first week of each semester.
- 8.4 At least 2 student representatives (usually 1 boy and 1 girl) shall be included in the class committee.
- 8.5 The chairperson of the class committee shall invite the Class advisor and the Head of the Department to the meeting of the class committee.
- 8.6 The Head of the Institution may participate in any class committee of the Institution.
- 8.7 The Chairperson of the Class Committee is required to prepare the minutes of every meeting, submit the same to the Head of the Institution within two days of the meeting and arrange to circulate among the concerned students and teachers.
- 8.8 The first meeting of the class committee shall be held within one week from the date of commencement of the semester in order to inform the students about the nature and weightage of assessments within the framework of the Regulations. Two or three subsequent meetings may be held at suitable intervals. During these meetings the student members, representing the entire class, shall meaningfully interact and express the opinions and suggestions of the class students to improve the effectiveness of the teaching-learning process.

9 COURSE COMMITTEE FOR COMMON COURSES

Each common course offered to more than one group of students shall have a "Course Committee" comprising all the teachers teaching the common course with one of them nominated as Course Coordinator. The nomination of the course Coordinator shall be made by the Head of the Department / Head of the Institution depending upon whether all the teachers teaching the common course belong to a single department or to several departments. The 'Course committee' shall meet as often as possible and ensure uniform evaluation of the tests and arrive at a common scheme of evaluation for the tests. Wherever it is feasible, the course committee may also prepare a common question paper for the Assessment Test(s).

10 ATTENDANCE REQUIREMENTS FOR COMPLETION OF A SEMESTER

10.1 A candidate who has fulfilled the following conditions shall be deemed to have satisfied the attendance requirements for completion of a semester.

Ideally every student is expected to attend all classes and earn 100% attendance. However, in order to allow provision for certain unavoidable reasons such as prolonged hospitalization / accident / specific illness, the student is expected to earn a minimum of 75% attendance to become eligible to write the End-Semester Examinations.

Therefore, every student shall secure not less than 75% of overall attendance in that semester as per clause 4.3.

10.2 However, a candidate who secures overall attendance between 65% and 74% in that current semester due to medical reasons (prolonged hospitalization / accident / specific illness / participation in sports events) may be permitted to appear for the current semester examinations subject to the condition that the candidate shall submit the medical certificate / sports participation certificate to the Head of the Institution. The same shall be forwarded to the Controller of Examinations for record purposes.

10.3 Candidates who could secure less than 65% overall attendance and **Candidates who do not satisfy the clauses 10.1 & 10.2** will not be permitted to write the end-semester examination of that current semester and are not permitted to go to next semester. They are required to repeat the incomplete semester in the next academic year.

11 PROCEDURES FOR AWARDING MARKS FOR INTERNAL ASSESSMENT:

11.1 For all theory, laboratory courses, and project work, the continuous assessment shall be awarded as per the procedure given below:

(i) Theory Courses:

Three assessments consisting of 100 marks shall be conducted during the semester by the Department. The total marks obtained in all assessments put together out of 300 shall be proportionately reduced to 40 marks and rounded off to the nearest integer (This also implies equal weightage to all the three assessments).

IAT I	IAT II	IAT III	TOTAL	IAT CONVERSION	ASSIGNMENT (Seminar/Case Studies/ Mini Project)	TOTAL INTERNALS	END SEMESTER EXAMINATIONS
100	100	100	300	30	10	40	60

(ii) Laboratory Courses

The maximum marks for Internal Assessment shall be 60 in case of practical courses. Every practical experiment shall be evaluated based on conduct of experiment and records to be maintained. Model Examination shall be conducted at the end of the semester. The weightage for the Internal Assessment is tabulated below:

(iii) Other Employability Enhancement Courses

(a) Evaluation of Seminar

The Seminar is to be considered as purely INTERNAL (with 100% internal marks only). Every student is expected to present a minimum of 2 seminars per semester before the evaluation committee and for each seminar marks can be equally apportioned. A three-member committee appointed by Head of the Institution consisting of course coordinator and two experts from the Department, will evaluate the seminar and at the end of the semester the marks can be consolidated and taken as the final mark. The evaluation shall be based on the seminar paper (40%), presentation (40%) and response to the questions asked during presentation (20%).

(b) Evaluation of Summer Internship

Summer internship will comprise of 4 weeks. The students will be working under a guide appointed by the department. The candidate shall submit an attendance certificate from the organization where he/she has undergone internship and a brief report. The evaluation for 100 marks will be carried out internally based on this report and a Viva- Voce Examination will be conducted by a Departmental Committee constituted by the Head of the Institution. The evaluation will be done as follows: 20 marks for evaluation by the guide, 40 marks for the report and 40 marks for the viva voce examination. Certificates submitted by the students along with the report shall be forwarded by the Head of the Institution to the CoE.

(c) Evaluation of Creativity and Innovation Laboratory

The creativity and innovation laboratory course are an activity-based course with both theoretical and practical content and is to be considered as purely INTERNAL (with 100% internal marks only). Each student is expected to present seminars and to come out with innovative products or services. This will be evaluated by the faculty member(s) handling the course and the consolidated marks can be taken as the final mark. No end semester examination is required for this course.

11.2 Assessment for Online courses

Students may be permitted to undergo two online courses subject to a maximum of six credits. The online course of 3 credits can be considered instead of one elective course. These online courses shall be chosen from the NPTEL platform, provided the offering organisation conducts regular examination and provides marks. The credits earned shall be transferred and the marks earned shall be converted into grades and transferred, provided the student has passed in the examination as per the norms of the offering organisation. The details of equivalent grade points is given below.

2	Elite + Silver / Top 5%	Excellent – A+	9
3	Elite	Very good – A	8
4	Successfully completed	Good – B+	7

The details regarding online courses taken up by the student and marks/credits earned shall be sent to the CoE, through HoD approved by Dean (Academics). The details of the elective(s) to be dropped in the subsequent semester(s) should be informed to CoE for further process.

11.3 Internal marks approved by the Head of the Institution shall be displayed by the respective HoD within 5 days from the last working day.

11.4 Every teacher is required to maintain an '**ATTENDANCE AND ASSESSMENT RECORD**' which consists of attendance marked in each lecture or practical or project work class, the test marks and the record of class work (topics covered), separately for each course. This should be submitted to the Head of the Department periodically (atleast three times in a semester) for checking the syllabus coverage and the records of test marks and attendance. The Head of the department will put his / her signature and date after due verification. At the end of the semester, the record should be verified by the Head of the Institution who will keep this document in safe custody (for five years). The University or any inspection team appointed by the University may inspect the records of attendance and assessments of both current and previous semesters.

11.5 Conduct of Academic Audit by every Institution

Every educational Institution shall strive for a better performance of the students by conducting the internal assessments as mentioned in Clause 11.

In order to ensure the above, Academic Audit is to be done for every course taught during the semester. For the internal assessments conducted for each course as per details provided in Clause 11, the academic records shall be maintained in the form of documentation for the individual assignments / case study report / report of mini project submitted by each student and assessment test question paper and answer script. Report of industrial training / internship shall also be maintained, if applicable. For laboratory courses students' record shall be maintained. Further, the attendance of all students shall be maintained as a record.

The Head of the Institution shall arrange to conduct the Academic Audit for every course in a semester by forming the respective committees with an external course expert as one of the members drawn from a Management / Technical Institution of repute near the Institute.

The University or any inspection team appointed by the University may verify the records of Academic Audit report of the courses of both current and previous semesters, as and when required.

12 REQUIREMENTS FOR APPEARING END SEMESTER EXAMINATIONS

- 12.1 A candidate shall normally be permitted to appear for the End Semester examinations of the current semester if he / she has satisfied the semester completion requirements as per clause 10.1 & 10.2 and has registered for examination in all courses of the current semester.
- 12.2 Further, registration is mandatory for all the courses in the current semester as well as for arrear(s) course(s) for the end semester examinations failing which, the candidate will not be permitted to move to the higher semester.
- 12.3 A student who has passed all the courses prescribed in the curriculum for the award of the degree shall not be permitted to re-enroll to improve his / her marks in a course or the aggregate marks / CGPA.

13 END SEMESTER EXAMINATIONS

- 13.1 There shall be an End Semester Examination of 3 hours duration in each lecture-based course. The examinations shall ordinarily be conducted between October and December during the odd semesters and between April and June in the even semesters. For the practical examinations (including project work), both internal and external examiners shall be appointed by the CoE.

13.2 WEIGHTAGE

The following will be the weightage for different courses:

i) Lecture or Lecture cum Tutorial based course:

14 PASSING REQUIREMENTS

- 14.1 A student who secures not less than 50% of total marks prescribed for the course [Internal Assessment + End semester Examinations] with a minimum of 50% of the marks prescribed for the end semester Examinations shall be declared to have passed the course and acquired the relevant number of credits. This is applicable for both theory and laboratory courses (including project work).
- 14.2 If a student fails to secure a pass in a theory course (except electives) / laboratory courses, the student shall register and appear only for the end semester examination in the subsequent semester. In such case, the internal assessment marks obtained by the student in the first appearance shall be retained and considered valid for all subsequent attempts till the student secures a pass. However, from the third attempt onwards if a student fails to obtain pass marks (IA + End Semester Examination) as per clause 14.1, then the student shall be declared to have passed the examination if he / she secures a minimum of 50% marks prescribed for the end semester examinations alone.
- 14.3 If the course, in which the student has failed, is a professional elective or an open elective, the student may be permitted to complete the same course. In such case, the internal assessment marks obtained by the candidate in the first appearance shall be retained and considered valid for all subsequent attempts till the candidate secures a pass. However, from the third attempt onwards if a candidate fails to obtain pass marks (IA + End Semester Examination) as per clause 14.1, then the candidate shall be declared to have passed the examination if he / she secure a minimum of 50% marks prescribed for the end semester examinations alone.
- If any other professional elective or open elective course is opted by the student, the previous registration is cancelled and henceforth it is to be considered as a new professional elective or open elective course. The student has to register and attend the classes, earn the continuous assessment marks, fulfill the attendance requirements as per Clause 10 and appear for the end semester examination.
- 14.4 If a student is absent during the viva voce examination, it would be considered as fail. If a student fails to secure a pass in project work even after availing clause (6.3), **the student shall register** for the course again.
- 14.5 The passing requirement for the courses which are assessed only through purely internal assessment (EEC courses except project work), is 50% of the internal assessment marks only.
- 14.6 A student can apply for revaluation of his / her semester examination answer paper in a theory course as per the guidelines of CoE, on payment of a prescribed fee along with prescribed application to the CoE through the Head of the Institution. The CoE will arrange for the revaluation and the results will be intimated to the student concerned through the Head of the Institution. Revaluation is not permitted for laboratory courses and EEC courses. A student can apply for revaluation of answer scripts for not exceeding 5 courses at a time.
- 14.7 **Review**

Candidates not satisfied with Revaluation can apply for Review of his / her examination answer paper in a theory course, within the prescribed date on payment of a prescribed fee through proper application to Controller of Examinations through the Head of the Institution. Candidates applying for Revaluation only are eligible to apply for Review.

15 AWARD OF LETTER GRADES

- 15.1 The award of letter grades will be decided using relative grading principle. The performance of a student will be reported using letter grades, each carrying certain points as detailed below:

Letter Grade	Grade Points
O (Outstanding)	10
A + (Excellent)	9
A (Very Good)	8
B + (Good)	7
B (Average)	6
C (Satisfactory)	5
U (Re-appearance)	0
SA (Shortage of Attendance)	0
W (Withdrawal)	0

A student is deemed to have passed and acquired the corresponding credits in a particular course if he / she obtains any one of the following grades: "O", "A+", "A", "B+", "B", "C".

'SA' denotes shortage of attendance (as per clause 10.3) and hence prevention from writing the end semester examinations. 'SA' will appear only in the result sheet.

"U" denotes that the student has failed to pass in that course. "W" denotes **withdrawal** from the examination of the particular course. The grades U and W will figure both in Grade Sheet as well as in Result Sheet. In both cases, the student has to appear for the End Semester Examinations as per the Regulations.

If the grade U is given to **Theory Courses/ Laboratory Courses**, it is **not required to satisfy the** attendance requirements (vide clause 10) but has to appear for the end semester examination and fulfil the norms specified in clause 14 to earn a pass in the respective courses. If the grade U is given to **Project work**, the course has to be registered again and attendance requirement (vide clause 10) should be satisfied.

If the grade U is given to **EEC course (except project work)**, which are evaluated only **through internal assessment**, the student shall register for the course again in the subsequent semester fulfill the norms as specified in Clause 14 to earn pass in the course. However, attendance requirement need not be satisfied.

- 15.2 The grades O, A+, A, B+, B, C obtained for the one / two credit courses (not part of curriculum) under the title '**Value Added Courses**' and '**internship / industrial training**' (if not part of curriculum) shall figure in the Grade Sheet. For these courses, if the grades obtained are U, SA then it shall **not figure in the Grade Sheet**.

15.3 GRADE SHEET

After results are declared, Grade Sheets will be issued to each student which will contain the following details:

- The college in which the candidate has studied.
- The list of courses enrolled during the semester and the grades scored.
- The Grade Point Average (GPA) for the semester and
- The Cumulative Grade Point Average (CGPA) of all courses enrolled from first semester onwards.

GPA for a semester is the ratio of the sum of the products of the number of credits acquired for courses and the corresponding points to the sum of the number of credits acquired for the courses in the semester. CGPA will be calculated in a similar manner, considering all the courses registered from first semester. RA grades will be excluded for calculating GPA and CGPA.

$$\text{GPA / CGPA} = \frac{\sum_{i=1}^n C_i GP_i}{\sum_{i=1}^n C_i}$$

where

C_i is the number of credits assigned to the course

GP_i is the Grade point corresponding to the grade obtained for each Course

n is number of all Courses successfully cleared during the particular semester in the case of GPA and during all the semesters in the case of CGPA.

16 ELIGIBILITY FOR THE AWARD OF THE DEGREE
