About the FDP

Outcome Based Education and its linkage to teaching-learning have become pertinent in higher education institutes. All Accreditation bodies require institutes and universities to understand the effective implementation of OBE and its collaboration with the guidelines under NEP 2020. The five-day faculty development program on "Outcome Based Education" has been conceived to broaden the understanding and practice of advanced and innovative Learning and Teaching practices as per NEP 2020. The main aim of the FDP is to undertake fruitful discussions about the processes to be adopted, and techniques to be incorporated into the teaching system thus creating unique opportunities for innovative assessment and student engagement.

Who should attend?

The faculty development program is open to all.Faculty members, Researchers, Industry and Academic Trainers,and Education Enthusiasts who are interested in gaining a deeper understanding of innovative contemporary teaching methods and wish to attain hands-on learning experience, are invited to attend the event. (Colleges, Institutions, Universities).

About Velammal College of Engineering and Technology

Velammal College of Engineering and Technology is an eminent autonomous institution established in 2007 to impart quality technical education. It is a self-financing non-minority Institution approved by the All-India Council for Technical Education (AICTE), New Delhi affiliated to Anna University Chennai, accredited with 'A' grade by NAAC (2022) and all 6 UG Programmes have been accredited by NBA. Ranked in band performer by ARIIA (2022), and 7th rank in EW India Private Engineering college rankings (2020). Our Institution has received 59 grants to the tune of 12.54 Crores.
