

# **Student Concept Paper Competition**

All students of the batch of 2023-2024 participated in the Concept Paper Competition organized as an evaluation for the Value Added Course – “Research Methodology for Undergraduate Students”. The students were divided into groups of 5 members.

Each group was instructed to come up with their unique research ideas. Based on the classes taken during the value added course, each group working as a team were required to submit a concept paper proposal with the following topics

1. Title
2. Introduction
3. Justification for the study
4. Aims & Objectives
5. Methodology including
  - a. Study design
  - b. Study population
  - c. Inclusion and Exclusion criteria
  - d. Ethical statement
  - e. Study algorithm
  - f. Statistics to be used
6. Expected outcome
7. Implication of the study
8. References
9. Data collection tools if required
10. Student contribution statement

A total of 30 proposals were submitted. These proposals were judged by Dr. Sudhir Ben, Professor, Department of Community Medicine, VMCH&RI and Dr. Praveena, Assistant Professor, Department of Community Medicine, VMCH&RI.

Two sets of winners were declared. Certificated of Achievements were distributed by the Dean of the Institute. All students were provided Certificate of Participation.
