30 ACADEMIC COUNCIL MEETING - MINUTES

12/1/2017

Academic council meeting was held in the boardroom at 8:30 am on 12/1/2017. Dean, Dr. Raja Muthaiah welcomed the members. After discussion and deliberation following issues were resolved.

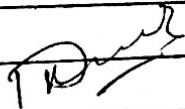

1. Dean appreciated the faculty for their cooperation during last MCI inspection happened in Dec'16. He make the house aware about the queries raised by inspection team and issues was discussed with respect to their rectification.
2. It was requested to take up the clinical classes more effectively and monitor the clinical notes of medical students properly.
3. Dr. Chandrasekaran, HOD of General Medicine suggested that out of 5 Units of Medicine one unit can take care of the entire op. other units can take care of the other work like MHC, call overs, ward rounds insp and clinical teaching. It was informed that for call overs there were 5 doctors available earlier and out of 5 doctors 2 were deputed to MHC.
4. It was suggested that from March onwards three batch students will come for clinical classes. therefore, the continuance of 5 units would be better.
5. It was observed that few students are not attending all class. It was resolved by dean by stating that attendance records of all classes will be kept, compute and compare to see this irregularity.
6. It was observed that I Re are not maintaining the proper get-up. Medical superintendent Dr. S. Somasundaram requested all professor attended the meeting that all I Re must wear the white coat white in Hospital premises.

They should convey the same message to other
other faculty members also to have the better compliance.

7. It was ~~enforce~~ advised to enforce discipline upon
the medical students while they are coming to
attend the class and posting (wearing) caplets,
jeans, without shaving etc.

8. All faculty should take care about students
habits. Student should have good food habits.
They should not like chocolate in place of
breakfast and food.

The meeting was concluded with the vote of
thank to the chair.

ACADEMIC COUNCIL MEETING - MINUTES

26/5/17 33

An Academic Council meeting was held in the board room at 2.00pm on 26/5/17. Dr RM Rajamukhaiah Dean, NCHRI welcomed all the members. After discussion and deliberation following issues were resolved.

1. Dean enlighten the house that MCE and University are implementing the rules and regulations very strictly so all are should be more vigilant in this regard.
2. In view of quality outcome of hospital NACH accreditation is very important. So all HOD should nominate a coordinator (Department wise) to complete the NACH requirements. All departmental activities must be well documented, which is the prime aim of the NACH to ensure work and their quality.
3. It was informed that we are going to apply for PG course next year, All HOD should prepare their department to meet the need of PG course permission.
4. OP timings should be strictly adhered.
5. Classes for the medical students must be conducted as per their training programme and their note book must be checked periodically.
6. HOD of Anaesthesia was requested to prepare a list of on call duty doctors who can be contacted during the time of emergency.
7. HODs were requested to convey the message that unwanted investigation should be avoided.

The meeting was concluded with the vote of thank to the chair.

ACADEMIC COUNCIL MEETING - MINUTES

12/7/2017-35

Academic council meeting was held in the boardroom at 8:30 am on 12/7/17.

Dean, V. CHARI welcomed the committee members. After the discussion and deliberation following resolutions are made.

1. Dean suggested the following things for the purpose of improvement in student's quality.
 - All medical student should bring note book for clinical classes.
 - Each note book should be seen and initialled by the faculty at least once in a week.
 - Clinical classes should be conducted more effectively.
 - Student should be engaged in case study, group discussions, seminars, debate etc.
 - Time management should be adhered to.
2. Regarding attitude of student, it was stressed upon that student should have the mind set to change their attitudes according to the situation needed.
3. Clinical HODs to ensure the wearing of coats inside the hospital by all Associate professors, Assistant professors, Assistant professors, SAs, JAs. This will boost the hospital image as well as increase the level of confidence.
4. All HODs were informed that student's attendance should be taken properly and maintained. The student who have not attended the previous class, should not be allowed for the next class unless a valid reason is given or he/she bring permission slip from the Dean.
5. Ophthalmology - HOD, Dr. S. Muthuramalingam requested Dean to post one more AP, to take 2 batches of clinical classes simultaneously.

without any disturbance.

6. HOD - Department of Dermatology opined that 3 hour clinical posting (9 am to 12 noon) is too long. He also requested to post one more AP for taking clinical classes.
7. HOD can visit the theory classrooms to monitor the attendance of student and to see whether classes are going on well.
8. Dean suggested to monitor the attendance of the clinical classes through students' representatives.
9. It was also suggested to have clinical class (theory) in all the departments like radiology, ICU, emergency medicine, Anaesthesia.
10. It was stressed upon that students participation or involvement in research activities should be encouraged.
11. HOD - ENT Deptt suggested that students may be given assignment to prepare informative charts to be displayed for the benefits of students.
12. All HOD should follow the ongoing NAAC progress.
13. Availing leaves without valid reason has to be avoided.

The meeting was concluded with the vote of thanks to the chair.
