**Participatory Learning**

Departments use participatory learning strategies – cooperative, collaborative learning by dividing students in small groups in teaching activities. Community Medicine Dept. involves students in village health, family health survey and facilitate interaction with community. Faculty motivate them to reflect upon their own experience and skills in solving problems while presenting community diagnosis.

**Problem Solving Methodologies**

Some departments practice PBL to stimulate learning by confronting students with problems from practice. Students are given case scenario and advised to identify problem, necessary steps to diagnose and manage the case, encouraged to think out of box and give their approach to different case scenarios. Students are encouraged present analysis of problem, synthesize and test information.

**Self-Directed Learning**

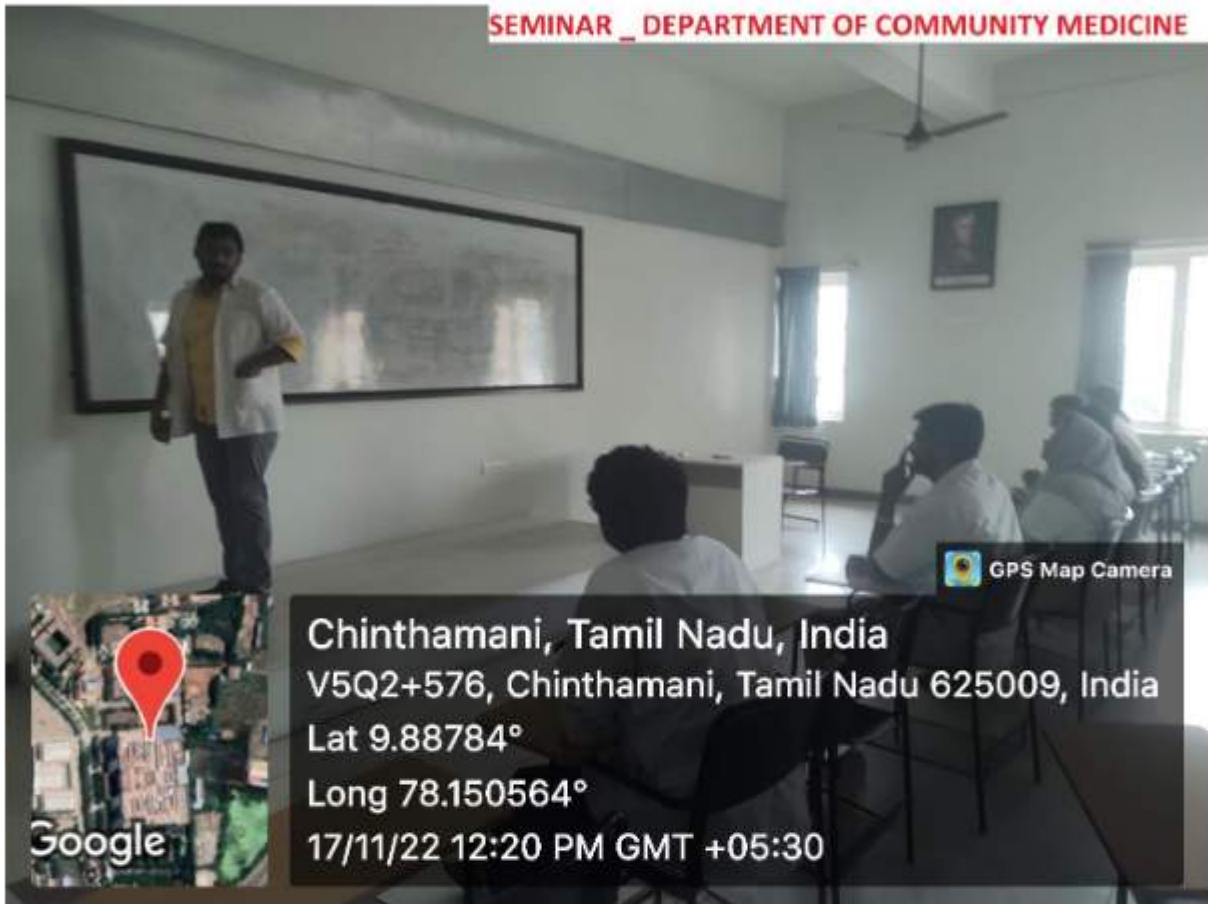

Topics are identified and given to students at intervals as per university guidelines focusing on recent advances in specific subject. Reference material including books, articles and websites provided in advance to students duly clarifying their doubts. Students are encouraged to undertake research projects. Seminars are organised regularly by assigning topic to group of students which improves the knowledge, presentation and communication skills.

To: [saravanan\\_jain@gmail.com](mailto:saravanan_jain@gmail.com)

No: 21/1/2017-HRD-STS

Dear Students,

This is in reference to your application for ICMR- Short Term Studentship-2016 submitted online to the ICMR.

I am pleased to inform you that the Director-General, ICMR approves selection of your application for STS on a stipend of Rs. 10,000/- fixed i.e. Rs. 2000/- per month for any two months (between April to July, 2016) to work on the proposed research project. The award is subject to conditions and approval of report by ICMR. Kindly complete the research at the earliest, so that the report can be prepared and submitted in time.

**Please note that no report shall be considered accepted after the due date i.e. 15<sup>th</sup> October 2016.**

The research carried out by the student must be in accordance with ICMR's [ICMR's Ethical Guidelines for Biomedical Research in Human Participants, 2017](http://www.icmr.org.in/ICMR-Ethical-Guidelines-for-Biomedical-Research-in-Human-Participants-2017) and National Ethical Guidelines for Biomedical Research involving Children, which may be downloaded from ICMR website (<http://www.icmr.org.in/ICMR-Ethical-Guidelines-2017.pdf>) and <http://www.icmr.org.in/ICMR-Ethical-Guidelines-for-Biomedical-Research-involving-Children.pdf>

**Please note** if the work involves human participants, then a clearance from the institutional ethics committee (IEC) must be obtained along with an informed consent from the subjects recruited for the study. Also note that studies involving stored samples/ human biological material/ retrospective analysis of records/ surveys etc. also require clearance from IEC. If the work involves use of animals, then a clearance must be obtained from the Institutional Animal Ethics Committee (IAEC). Research should not be initiated unless cleared by the ethics committee. In case it is the first research belonging to a category a "certificate of exemption" may be obtained from the IEC.

On completion of the studentship, a report of the actual work done may please be submitted ONLINE as per detailed format and instructions specified on ICMR website. **It is advised that prior to writing the report, students should first consult the institutions headed by ICMR, respectively.** The report must have an Introduction, Review of Literature, Aims and Objectives, Materials and Methods, Observations and Results, Discussion, Conclusions & Bibliography and must be submitted **online** before the last date. Printed copies of reports will **NOT** be accepted. Without appropriate clearance from ICMR, the report will not be accepted.

The ICMR has initiated this programme to provide opportunity to select students to commence themselves with research techniques, methodology and also with preparing reports. It is expected that the student provide ample support and guidance to the students in their endeavor. Further information about report preparation and its submission as well as the last date for submission is provided on ICMR website. You will have to carry out the project work as early as possible in any two months between April to July, 2016 and submit the detailed report online latest by **15<sup>th</sup> October 2016**. **The date to submit the report will be between 1<sup>st</sup> August 2016 to 15<sup>th</sup> October 2016**, however, it is advised that the updated instructions on ICMR website ([www.icmr.org.in](http://www.icmr.org.in)) may please be followed.

In case of any queries, please send email at [saravanan\\_jain@gmail.com](mailto:saravanan_jain@gmail.com)

Wishing you all the best.

(Mrs. Harjeet Dugg) Administrative Officer-STS (For Director General)

**Important: Please inform the Dean/Principal of your college regarding Award of ICMR- STS 2016.**

**This is an automated email. Please do not send reply to this email address.**

Dear Student

The proposal result of ICMR STS-2020 is already available on STS website in the Results Section. Your proposal has been duly approved by ICMR to carry out the proposed STS 2020 research work.

In wake of the current COVID-19 health emergency majority of Medical/Dental Colleges/Hospitals/Institutes are closed, therefore the Report submission for STS 2020 will be further decided only once the Govt. of India and various State Govt. decide to re-open all the Medical/Dental Colleges/Institutions.

So you may wait until the decision is declared by Govt. of India and various State Govt. and then proceed to carry out the proposed research work for STS 2020, and accordingly ICMR will then upload the revised schedule for STS 2020 Report submission guidelines and timelines.

PLEASE NOTE: This is an automated email. Please do not reply this email.

Thank you and kind regards.

Mrs. Harjeet Kaur Bajaj  
Administrative Officer  
Short Term Studentship
