Subject: Training schedules of postgraduate students in community medicine for the academic year 2020-21

Respected Sir,

As per the guidelines provided by the Tamil Nadu medical university, the post graduate students in community medicine has to do the posting in various clinical departments and other training centre for fore noon clinical session (8am to 12 noon). The student has to attend the academic activities in the afternoon in the department of community medicine.

Accordingly, I have prepared the schedule of morning posting of Dr.Dinesh who has joined the department as post graduate student (2021-22). Please find enclosed the training schedule and instruct the clinical departments to allow him to work in the respective departments and maintain the records of it.

Kindly do the needful.

Thanks and regards,

(Dr.Samir bele)

Subject: Training schedules of postgraduate students in community medicine for the academic year 2021-22

Respected Sir,

As per the guidelines provided by the Tamil Nadu medical university, the post graduate students in community medicine has to do the posting in various clinical departments and other training centre for fore noon clinical session (8am to 12 noon). The student has to attend the academic activities in the afternoon in the department of community medicine.

Accordingly, I have prepared the schedule of morning posting of Dr.Thendral M who has joined the department as post graduate student (2021-22). Please find enclosed the training schedule and instruct the clinical departments to allow him to work in the respective departments and maintain the records of it.

Kindly do the needful.

Thanks and regards,

(Dr. Samir bele)
