

**VELAMMAL MEDICAL COLLEGE**  
**HOSPITAL AND RESEARCH INSTITUTE**  
**MADURAI - 625009**

**7.2.1**

**Best Practices**

**Title of the Practice**

Velammal community service & Quality care at affordable cost.

**Objectives.**

- Identify medical needs of community
- Provide preventive, promotive & curative health services free of cost.
- Identify and enrol critically ill patients through door-to-door health surveys.
- Provide free-of-cost treatment at VMCH&RI.
- Quality care at affordable cost.

**The Context**

Velammal community service was initiated in January 2018 to provide both ambulatory primary medical care through mobile health camps & specialist/in-patient care by referral to VMCH&RI to the rural community. Majority of services such as doctor consultations, basic drugs & investigations are offered free of cost. Other services at subsidized rates.

**The Practice**

- Members of Panchayath Raj are involved for arranging a place.
- Community receives free primary health care and screening for common chronic health conditions like Diabetes & Hypertension, etc.
- Essential medicines and drugs for Diabetics and hypertension, etc. given free of cost to increase compliance.
- Patients requiring further specialist care, investigations, treatment or surgery referred to VMCH&RI with free transportation facility.
- Other benefits:
  - Basic laboratory tests like Complete Blood Count, Serum urea and creatinine provided free of cost
  - Other investigations at subsidized rates.
  - Angiogram is free of cost for needy patients.

Prof. T. THIRUNAVUKARASU, MCh, D.A.  
Dean

# VELAMMAL MEDICAL COLLEGE HOSPITAL AND RESEARCH INSTITUTE MADURAI - 625009

- Surgery at concession rates.
  - Free in-patient stay in general wards and food.
  - Dedicated team of doctors and staff nurses.
  - Mobile medical team visits them periodically for follow up.
- 
- Quality care at affordable cost initiative is to mainly increase drug adherence and proper follow up of patients by prescribing generic drugs, which are priced far below market rates. Drugs which are essential and basic drugs costing less than Rs.3 are given free of cost to all patients
  - Surgery procedure charges are 50% less to other private medical colleges. To reduce maternal mortality rate, Velammal offers both normal labour and caesarean section at free of cost. Public transport facility is available.

## Evidence of Success

- 131 camps were conducted in 105 communities serving a total of 19,379 patients. They have received specialist care and treatment free of cost/subsidized rates by referral to VMCH&RI.
- Around 250 members are benefitted every month.
- Many people are provided primary medical care through mobile health camps.
- Cost of medications at Velammal are less compared to the market pharmacies.

Year wise consolidated list, Cumulative list of referral patients and Date wise list of Camps provided as document.

## Problems Encountered and Resources Required:

- Inordinate delay in permission from panchayat raj.
- Logistics is a challenge in sensitive/remote areas.
- Inadequate pre-camp publicity by community.
- People perception of poor quality of medical care when given at their door steps.
- Bringing people together from different socio-economic groups/ religions and introducing health as a priority in their lives

Prof. T. THIRUNAVUKARASU, M.B.B.S.,  
Dean  
Velammal Medical College Hospital

"Velammal Village"  
Madurai-Tuticorin Ring Road  
Anuppanadi, Madurai

**VELAMMAL MEDICAL COLLEGE**  
**HOSPITAL AND RESEARCH INSTITUTE**  
**MADURAI - 625009**

- Patients not coming for follow up
- Keeping Faculty and staff motivation high.
- Wrong perception of Generic drugs being of low quality.
- Initiative is made known to many people.

**Resource required-** Mobile Medical Team, Camp Van, Medical Equipment's, Basic Drugs, IEC Materials, Human Resources, Material, Logistics and Finance.

**OFFICE OF DEAN  
CIRCULAR**

Ref.No.006/H/Cir/2021

Date: 19 .01.2021

**Protocol for Camp Patients**

As we are going to receive Camp cases mobilized by the Community services on Wednesdays and Fridays, Front Office In-charge is requested to arrange **Ophthal Demo Room** for better disposal of these cases. The following should be deputed by the concerned for the disposal of these cases:

- Medical Officers from Medicine, Surgery & Ortho departments (1 each)
- 2 House surgeons
- 2 ANMs

The OPD should start at 10 am till the disposal of all the cases. The following investigations will be done free of cost (**Kindly recommend only when needed**):

- Complete Blood Count
- CBG
- UREA/CREATININE
- Complete Urine Analysis
- ECG
- Ortho X-ray
- Sputum Microscopy
- HIV Testing
- Stool Examination

After Registration and recording vital signs these cases will have consultation with the Physician and Cross-Consultation with other if required. All camp cases will be arranged return transportation in the same vehicle to the exact point from where they were picked.

List of free drugs to be recommended is enclosed.
