MENTORSHIP PROGRAMME

Mentor is a person who takes an interest in overall growth of a student. Considering the fact that the students come from different academic, socio economic and linguistic backgrounds it becomes essential for establishment of Mentoring system in educational institutions.

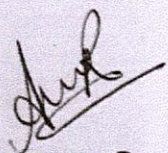

Mentors are supposed to take utmost care to ensure the Mentee under them attains the requisite strength and aptitude to overcome the challenges in Medical Education.

As per the goals set up by VMCH&RI, Mentors will aid the students in their pursuit by giving proper advice & support and shall ensure the students develop a culture of discipline with reinforcement of ethics of Medical profession.

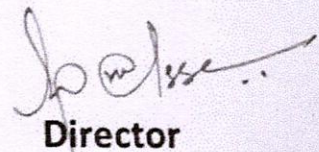

While there are no restrictions on the number of mentoring sessions it is essential that **at least one meeting is conducted every month** at a time which is convenient for both Mentor & Mentee.

Mentorship logbook will be given to every Mentee which they need to maintain till they graduate out of this programme. Sample is sent for approval may reach each mentee within a month time.

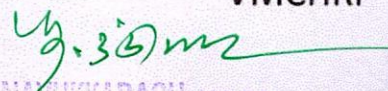

Independent files are to be created for every Mentee allotted. Monthly reports must be submitted latest by **25th of every month by the Mentors** regarding the Mentee to the Coordinator of Mentorship Programme Dr.Sumana.R as a soft copy, which can be mailed to vmcmentorship@gmail.com

Madurai**

Mentor Mentee Program 2023 -2024 Report

The Department of Physiology has organized a total of 9 mentor mentee meetings for the first year MBBS students every month in the academic year 2023 – 2024. The meetings were planned to be held on the second Thursday of every month, and have been adhered to this date almost every month. 40 students were allotted to the department and 4 faculties from the department have mentored them. This maintains the mentor mentee ratio of 1:10.

These meetings were scheduled between 04.00 PM and 04.45 PM and were held in the department of Physiology. Each student was met individually for 5 mins during the meetings. Their scholastic performances along with other aspects of their college life were discussed. The students were encouraged to meet up with their mentors beyond the scheduled timings in case a need arises.
